Revolt Flares In Sky

Anti-Red Coup Well Planned In Hungary

Land In West

INGOLSTADT, Germany (AP)—Seven anti-Communists captured a Red Hungarian airliner in a wild fight with guns and iron rods high over Hungary Friday and flew to West Germany.

Their long-plotted break for freedom was led by a Hungarian World War II pilot.

He seized the airliner's controls at gunpoint and brought the plane to a crash landing at a U.S. airfield near here.

Even after the plane skidded to a halt there were brawls between the anti-Communists and those who wanted to return to Hungary.

German police said 12 persons, including passengers and Communist crewmen, were injured, one seriously.

"Bonn! Adenauer! Germany!" cried the first of the triumphant plotters to leap from the plane. His face was bloody.

Eight Ask Asylum

The seven later were joined by another of the 15 passengers aboard in asking asylum. The plane carried a crew of five.

The dramatic story of the flight to the West was told by one of the seven. He is Joseph Jakaby, 25, a Budapest student.

Jakaby said the coup had been planned for a long time. The plotters decided they wanted to go to West Germany.

Their chance came Friday. The seven, one a young woman, boarded the twin-engine airliner in Budapest. They all carried iron rods.

The former pilot, identified only as "the lieutenant," also had a gun.

The flight was bound for Szombathely, provincial capital southwest of Budapest.

Red Officer Aboard

Jakaby said just before they boarded the plane they were tipped that a Communist secret police officer was among the passengers. Thus they had to suspect everyone.

"When we were near the town of Gyor," Jakaby related, "the lieutenant drew his gun and hit the man sitting beside him on the head.

"That was the signal for us. All of us drew our iron rods and hit all the people who did not belong to us on the head. You have to realize we had to suspect each of them of being a secret policeman."

Knocks Him Out

The secret policeman drew his pistol. Before he could fire, the ringleader knocked him down.

"While all this went on," Jakaby continued, "the red pilot, who apparently noticed what had happened, flew loops, turning everything in the plane upside down. More passengers were injured."

The lieutenant managed to break into the cockpit, forced the crew at gunpoint to withdraw to the passenger compartment, and took over the controls.

"To make it clear he had mastered the situation he shot into the ceiling."

The World War II pilot brought the airliner down almost to ground level and hedge-hopped across Austria.

"Near Igolstadt we saw a suitable landing field and went down," Jakaby said. "It sure was a wonderful feeling."

COULD YOU TELL HIM?

Darkness Nears

Mike Sibole, 4-year-old son of the Rev. and Mrs. James W. Sibole of Orlando, Fla. will have darkness close down on him for the rest of his life, Wednesday. He lost his right eye because of a dangerous tumor two years ago. The left eye must come out for the same reason, Wednesday. His life would be in danger if the operation was not performed. **(AP Wirephoto)**

Man Quizzed In Iowa Kidnap-Slaying Case

... Donna Sue Davis Crime

PRATT, Kan. (AP)—Sioux City, Iowa, officers took custody here Friday of Claude Adams, 43, who has made and repudiated an admission in the July 10, 1955, kidnap-death of 2-year-old Donna Sue Davis at Sioux City, Deputy Sheriff Lawrence Guinn said.

Guinn said Adams was brought to Pratt and lodged in the county jail overnight by officers from Perryton, Tex. He said he was informed Adams surrendered at Perryton and made his statement to officers there, then repudiated it, but is returning willingly to Sioux City.

Guinn said Perryton and Sioux City authorities agreed on Pratt as the point for the prisoner exchange, after Adams waived extradition.

Adams left by auto for Sioux City shortly before noon, Guinn added, in custody of a Sioux City detective and assistant county attorney.

In Sioux City, police, county officers and Federal Bureau of Investigation officials issued a joint statement saying:

"We have a suspect. No one has been arrested. He's just another fellow we're questioning like others we have and others we probably will question."

The statement apparently was issued before the officers left Pratt to return Adams to Sioux City.

County Attorney Donald E. O'Brien said at Sioux City he knew of no "confession" made by Adams and that he had no details of the arrest.

Fresh!

DES MOINES (AP) — A Des Moines woman complained to police Friday that as she was drying herself after a bath, someone reached through the bathroom window and between slats of a venetian blind and pinched her. She told officers the hand and arm disappeared when she screamed.

MATS Ship Carrying 66 Hits Swamp

21 Injured As C-118 Liftmaster Plows Into Pines On Belly, Splits After Take-Off Slug By Air Pocket

FT. DIX, N. J. (AP)—A military air transport plane with 66 Europe-bound servicemen and civilians aboard crashed Friday in a pine-wooded swamp during a rain and hail storm. Forty-five persons—including two women and two children—were killed and 21 injured.

Among the 45 dead, as listed by the Air Force early Saturday, was Melvin W. Rettig of Diller, Nebraska.

An airman aboard, one of the least injured, said the giant C-118 hit "an air pocket" as it took off from nearby McGuire Air Force Base runway and plummeted to the ground.

The four-engine craft split as it landed on its belly but did not burn. Parts of the wreckage were scattered over a half mile area of brush and trees, some of which were 100 feet high.

The Douglas Liftmaster, heading for Burtonwood, England, was taking servicemen and military dependents to foreign posts. It carried a crew of 10, and its passengers included 41 enlisted men, nine officers, and six civilians.

An Army doctor, Lt. Col, Pedro M. Souza, blamed most of the deaths on fractures. He said most of the passengers had not released themselves from safely belts and that the impact left them dead or injured still in their chairs. Only six were thrown clear.

Another Army physician, Lt. Col. Horace W. Doty, quoted survivor Albert J. Buck as saying the ship hit an air pocket. Buck, an airman, suffered a fractured ankle.

Crewman Survives

Early Air Force reports placed the number of dead at 13 and injured at 35. Later McGuire announced that 43 died in the plane and two others in hospitals.

Some of the survivors were so badly injured that they are not expected to live through the night, according to Maj. Huly Bray, information services officer at the base. Only one member of the crew—the flight engineer-survived.

The big craft took off about 4 p.m. during a storm which covered most of South Jersey. A violent freak windstorm at Camden, about 20 miles southwest of here, had wrecked a diner, pushed around parked cars and shattered plate glass windows an hour and a half earlier. Several persons were injured.

Last Contact

The field tower had no warning of the crash. It lost radio contact with the ship and a search was instigated.

Some 500 Ft. Dix trainees in the area saw the plane dive to earth and rushed to the scene, but the first word of the crash came when military police saw Pvt. Thomas F. Kiley of Lawrence, Mass., a passenger, wandering down a road a mile from the crash scene. He was among the injured.

Capt. Tom Hamrick, information officer at Dix, said the pilot apparently tried to level off and land, cutting a swatch through brush and pines for 300 yards.

Liftmaster

The Militiary Air Transport Service said in Washington Friday's crash of a C-118, known as the Douglas Liftmaster, was the first fatal accident suffered in five years of operating such craft.

The big plane had seats which faced toward the back of the plane.

It was reported in Washington the rescurers attempting to get to the crashed plane had difficulty in bringing vehicles near it because of the wooded area. Victims were carried out by hand.

The plane smashed in to a pine forest three miles from the end of the runway and scattered wreckage over a half mile area. It did not burn.

AF Releases Casualty List

FT. DIX, N. J. (AP)—The Air Force issued this official casualty list in the crash of a military transport plane that killed at least 45 persons and injured 21 others here Friday.

Among those killed were:

Melvin W. Rettig, Diller, Neb.
1st. Lt. Gerald A. Proudlove, Pemberton, N.J.
Maj. Francis E. Balshaw, Houston, Tex.
Joseph Galman, Hollywood, Calif.
Lazare F. Rosello, Bronx, N.Y.
John Rhodes III, Wilmett, Ill.
Larry E. Summers, Greensboro, N.C.
Thomas A. Cusmano, Elizabeth, N.J.
Neville R. Munsinger, Powell, Wyo.
Rob R. Hoover, Los Angeles.
William A. Beninger, Anaconda, Mont.
A-2c Ronald J. Helms, Cincinnati, O.
2d Lt. Wm. A. McCants, McColmb, Ill.
A-2c Stephen H. Colombe, Little Falls, Minn.
A-2c Harry B. Anderson, Willmington, Calif.
A-3c Joyce J. Beatwright, Gladwater, Tex.
M-Sgt. Louis P. Publico, San Francisco, Calif.
Mrs. Teresa Galman, Hollywood, Calif.

Not From LAFB

A C-118 Military Air Transport plane carrying Lincoln Air Force Base personnel left the base here early Friday morning for McGuire Air Base but was not the aircraft involved in the crash, base officials established positively Friday night.

A check of the tail number of the demolished plane definitely identified the ill-fated craft, base officials said.

Four Die As B-47 Crashes

SALINA, Kan. (INS) — An Air Force B-47 Stratojet crashed on takeoff Friday night at Smoky Hill Air Force Base at Salina, killing all four crewmen.

The swept-wing, six-jet bomber got only about 50 feet in the air and crashed a quarter of a mile past the end of the runway.

It was the second Stratojet from the 40th Bomber Wing at Smokey AFB to crash within three weeks. Another plane crashed near the base June 26, killing three persons.

Witnesses said the plane exploded when it hit the ground and was immediately engulfed in flames. It was demolished.

Victims were Maj. Ernest Sharp, 28, of Ormond Beach, Fla., the plane commander; 1st Lt. Marion Stallings, 26, Leesburg, Fla., the pilot; Capt. Walter Carnes, 29, Augusta, Ga., observer, and 1st Lt. Carl Pattison, 32, Cambridge, O., a pilot who was on an indoctrination ride.

2 LINCOLNITES IN GOLF FINAL

Two Lincolnites — Bill Mowbray Jr. and Merle Backlund—battled to a draw in the final round of the Nebraska State Amateur golf tourney Friday, and will meet this morning at 10 a.m. in an 18-hole playoff for the state title. For details see Sports Page 9.

NEW SUIT IN 'RIGHT TO WORK'

Five Union Pacific employes in Nebraska have brought a new anti-union court action—this time to test whether a railroad worker needs to pay full union dues or merely a portion of them to be in compliance with a recent U.S. Supreme Court decision.

The five, represented by their attorney Edson Smith of Omaha, alleged that only a part of union dues are used "in the realm of collective bargaining." Their suit asked whether any dues not used for bargaining purposes needed to be paid.

It was the same five railroad workers who sued the Union Pacific and 17 unions to prevent enforcement of an agreement making union membership necessary to holding a railroad job.

The Supreme Court ruled against them. It held that the Federal Railway Labor Act authorizes union shop agreements in the railroad industry, even though the union shop is illegal under Nebraska law.

Similar actions had been filed in other states with so-called "right-to-work" laws.

The Supreme Court sent back the case of the Union Pacific workers to the Nebraska Supreme Court for proceedings "not inconsistant" with its decision.

Smith said the U.S. Supreme Court held that the only requirement of law is that the employes pay dues, fees and assessments for the purpose of supporting the union "in the realm of collective bargaining."

The clerk of the Nebraska Supreme Court said union attorneys had not made any response to Smith's motion.

Harry Welch of Omaha, counsel for the union, was out of the city and could not be reached for comment.

Lot Of Activities

"These unions engage in a lot of activities besides representing the men as collective bargaining agents," Smith said.

He said the railway brotherhoods were "social, fraternal, political," and named life insurance and union publications as examples of functions outside the "collective bargaining realm."

Smith's motion, which won't be argued by the State Supreme Court until Sept. 17, also asked the court to hold that employes need not apply for union membership on the theory that payment of dues, fees and assessments in itself is the only condition for membership.

Status Same

So far as the five Union Pacific employes were concerned, their status has not changed, despite the U.S. Supreme Court ruling.

While the high court has issued a mandate to the Nebraska Supreme Court, that court has not yet issued an order to the Douglas County Omaha District Court, where the case originated.

New Arms Cut Plans Studied

U.S. Calls On Soviets To Join West As 'Peace Partners'

WASHINGTON (AP) — Disarmament negotiator Harold Stassen, speaking with the sanction of President Eisenhower, disclosed Friday that the United States is shaping new proposals in an effort to get started on arms cut agreements with Russia.

He called on the Soviets to join with the United States and its Western Allies as "partners for peace" in continuing disarmament negotiations within the United Nations. Russia has described as futile the work of a U.N. subcommittee dealing with the problem.

At the same time Stassen made clear that the United States does not consider that Soviet acceptance Thursday of Western proposals for ceilings on great power armed force levels goes far enough. He said that the Soviet action carries negotiations a "small step" forward but that any first-stage agreement for military cutbacks must provide an "adequate aerial inspection system," according to present U. S. thinking.

"This government," Stassen told a news conference, "has not been able to see how an agreement to reduce manpower levels without an agreement for aerial inspection would advance the interests of peace—but we always re-examine every proposal put forword."

In this way he assured the Soviets that their position, as stated by Deputy Foreign Minister Andrei A. Gromyko at a meeting of the U. N. Disarmament Commission in New York Thursday, would receive full consideration here.

Examine

Other officials, dealing with another phase of the present Russian diplomatic move, said the United States would also carefully examine a Soviet proposal made in Moscow Friday for a European organization to promote the peaceful uses of atomic energy.

The Russian atoms-for-peace proposition was put forward as a counter to a Western European proposal for an organization called "Euratom." The Russians said that both the Soviet Union and the United States could participate in the atomic grouping proposed by Moscow.

The first reaction of U. S. officials was that this proposition looked like a Soviet move to disrupt a further step in the unification of Western Europe; Euratom would embrace only West Germany, France, Italy, Belgium, the Netherlands and Luxembourg. Nevertheless a full study of the Soviet proposition was promised.

2 Million Men

On disarmament, Gromyko said the Soviet Union was ready to accept Western proposals to reduce the armed forces of the United States, Russia and Communist China to 2,500,000 men each and those of Britain and France to 750,000 each.

Scattered Rain To Hit Central, West Nebraska

Widely scattered thunderstorms were forecast for the west and central portions of the state Saturday afternoon and evening.

Highs throughout the state were to range in the 90s, the Weather Bureau said.

Early Friday rains from the Bennington area swelled the Big Papillion Creek at Fort Crook to bankful. Some overflowing was reported in the Fort Crook area, but waters receded rapidly.

Bennington had 2.20 inches of rain early Friday and 1.10 inches Thursday to raise the creek from 14.5 feet to 19 feet—flood stage.

Other rainfall reports included 1.61 at Omaha and .57 at Elmwood.

The Weather

NEBRASKA: Partly cloudy Saturday and Sunday with scattered afternoon and evening thunderstorms, mostly west and central plains. A little warmer east Saturday. High Saturday in 90s.

KANSAS: Partly cloudy, warm and humid Saturday and Sunday. Scattered afternoon and evening showers and thunderstorms, mostly west and central portions. High Saturday 90s northeast to around 100 southwest.

–German City Makes Strong Protest–

Bamberg Asks Yanks 'Get Out'

Unprecedented Demand Follows Alleged Rape Of Girl, 15, By Seven Soldiers

BAMBERG, Germany (AP)—U.S. Army commanders moved quickly Friday to patch up strained relations with local authorities after the Bamberg City Council called for withdrawal of American troops from this Bavarian city.

The unprecedented demand was sparked by the alleged raping of a 15-year-old school girl by seven American soldiers. Formal charges against the seven were filed Thursday, less than 72 hours after the alleged assaults occurred.

Gen. Hamlett Arrives

U. S. 10th Infantry Division commander Maj. Gen. Barksdale Hamlett came here Friday to make a personal investigation of the case. He met Bamberg Mayor Luitpold Weegmann to inform him of the Army's action in the case.

Col. M. N. Huston, commanding officers of the 85th Infantry regiment, stationed here, assured Bambergers that, "In the interest of good will established here this command will continue in the concerted efforts to eliminate unfortunate incidents adversely affecting our relationship."

The Bamberg City Council also decided to limit official German-American relations here to the "minimum necessary" and ordered American soldiers barred from the biggest outdoors swimming pool because they were "causing a public nuisance."

Freed From Barracks

A 10th Division spokesman said no American troops are confined to their barracks any longer. Army officials said the entire 85th Regiment had been confined to barracks immediately after the raping, and that only selected groups of soldiers were allowed to go to town on the following days. The 85th came here last November from Ft. Riley, Kan.

Ike Accepts Challenge Of Sen. McCarthy

...Names Hoffman

GETTYSBURG, Pa. (AP) — President Eisenhower, ignoring a protest by Sen. McCarthy (R-Wis), Friday picked industrialist Paul G. Hoffman to be a member of the American delegation to the U. N. General Assembly.

Hoffman

Eisenhower sent the nomination of Hoffman and other delegation members to the Senate for confirmation less than 48 hours after McCarthy had told the Senate Hoffman has been making statements which "could only be made by a fool or a Communist."

In a sort of "Who cares?" tone, presidential press Secretary James C. Hagerty told reporters that "Yeah, we read it."

Also named to the U. N. delegation was Senate Republican Leader Knowland of California. A reporter noted that Knowland has differed from Eisenhower "to a considerable degree" on foreign policy and said the senator is considered more isolationist than the administration.

The newsman asked whether any intraparty politics was involved in the Knowland appointment.

Hagerty said he didn't accept his questioner's words, as "I do not think Sen. Knowland is an isolationist." He added: "On the rest of your question, I have no comment."

Kearney Hub Must Pay Its Newsprint Bill

The Kearney Hub Publishing Company should pay the Carpenter Paper Company of Omaha $4,096.71 for a carload of newsprint delivered in March, 1954, the Supreme Court held Friday.

The ruling reversed a judgment of $1,364.50 which the Buffalo County District Court had allowed on the Hub's counter-claim on grounds the paper company had charged more than the contract price during the period from January, 1948, to March, 1954.

The raise was not unjust "considering the increased cost of doing business" during those years, the court said, "and certainly not a factual situation which would permit the appellee (the Hub), on the grounds of business compulsion, to avoid the effect of its agreement. . ."

Noting that newsprint was in short supply and the mill price rose through the years following World War II, the court said that from 1947 until 1953 Carpenter "had a monopoly on newsprint insofar as appellee being able to get an adequate supply thereof was concerned."

'Fair'

Carpenter always divided its allotment from the mill to its newspaper customers "on a fair basis" and never refused to sell to the Hub or threatened to cut down its quota, the court said.

The paper company "only sought to handle newsprint on a more profitable basis" which it had "a perfect right to do if, in doing so, it did not make unjust demands upon appellee in view of all the circumstances. . ."

Clarice Millen Gets $2,500 Social Work Scholarship

Miss Clarice Millen, a University of Nebraska graduate whose parents reside in Albion, has been awarded the $2,5000 Robert H. MacRae Scholarship in Social Work from the McGregor fund in Detroit, Mich.

She will use the scholarship at Wayne University School of Social Work to complete her master's in Social Work.

She was graduated from the University of Nebraska in 1953 with a Bachelor of Science in Home Economics.

Formerly a counselor at the Henry Ittleson Center for Child Research at Riverdale, N. Y., she is employed this summer as a caseworker in the Lutheran Children's Home in Omaha.

She is the daughter of Mr. and Mrs. Harold Millen of Albion.

Nebaska Firms File Incorporation Papers

These Nebraska firms filed incorporation papers with the Secretary of state Friday;

Bellevue Investment Company Omaha, authorized capitalization $100,000. R. R Simon and R.L. Gore.

Servicenter Incorporated Omaha; job and business solicitation; $10,000. Roger E. Dodrill, Erwin E. Dodrill, Frederick A. Brown.

Wilson Wheel Motel, Inc., Grand Island $30,000. Homer B. and Doris E. Rupert and Irwin B. Peterson.

Maestro Music, Inc. Omaha. Transmission of recorded music by leased wire, 325,000; Harvey W. Hess Jr., Geraldine A. Hess, Charles F. Belcke.

Midwest Brokerage Company, Inc., Fairmont; $25,000, James G. French, Joan French.

Ironrite of Omaha, Inc., Omaha, appliances, $20,000; Edward B. Mueller, David E. Beber.

Drink, Drink, Drink

Diane Knotek in the feminine lead as Kathie, sings one of the familiar songs from Sigmund Romberg's "The Student Prince" as the students are gathered in the cafe at Old Heidleberg. This is a scene from the Summer Opera which is being presented in Pinewood Bowl in Pioneers Park through Monday. Miss Knotek, Miss Nebraska of 1956 will appear until the Monday night performance, when she will be absent to prepare for a nationwide television show in New York (Star Photo).

PINEWOOD BOWL FULL FOR 'PRINCE'

By RUTH ARDIS

Pinewood Bowl was filled almost to capacity Friday night when the "Student Prince" was presented as Lincoln's eighth annual "opera under the stars." Sigmund Romberg's gay musical was presented by a talented cast under the direction of Prof. Oscar Bennett.

The colorful costumes, mass chorus numbers and dances and the general gaiety of the plot makes "The Student Prince" an excellent choice for an outdoor opera. It is certainly fine "family fare," and as was evident in the first performance, as many families took advantage of the opportunity to enjoy the opera together.

Diana Knotek, as Kathie, was an exceedingly fine partner to the Prince, played by Carlyle Weiss. Miss Knotek was given special recognition during intermission for her recent honor of being selected as Miss Nebraska of 1956.

The entire cast was impressive. Each sang his role with distinction. Other members of the cast included Monty McMahon, Robert Jewett, Gerald Bacon, Paul Streck, Christine Schlueter, David Mickey, John Cholka, Millie Fling, Marles Preheim, Clair Rickel, Beverly Ann George, Margaret Hrubesky and Ed Docekal.

Soloists and the 60-member chorus was augmented by a 30-piece orchestra. As in the past many have cooperated in the behind-the-scenes work which helped to make this fine production a success.

The same cast will present the opera nightly through Monday under the sponsorship of the Lincoln Songfest Committee.

Surprised Audience Joins In 'Let's Make An Opera'

The audience at the Student Union Ballroom Friday night was given a behind-the-scenes look at the intricate workings of producing an opera. It was all part of the Benjamin Britten script of "Let's Make an Opera", but the effect was spontaneous and informal.

The production was one of the most unusual to be presented by the University of Nebraska Summer Session. For the past several years, operas by contemporary composers have been chosen for the summer productions, but "Let's Make An Opera" is unique in the contemporary field. The music is indeed modern, but contains some beautifully melodic passages.

The audience was somewhat surprised and delighted to be part of the show. The four audience participation songs which were part of the plot evoked an enthusiastic response from the audience.

The children in the cast revealed some beautiful voices as well as fine musicianship. The intricate rhythms and difficult melodic intervals in Britten's music were handled very well.

Ivan Caldwell, vocal instructor at Lincoln High School, was musical director of the production. Sterling Stewart, superintendent of schools at Jackson, served as stage director.

The cast consisted of the following University students: Robert Vitols, Shirley Halligan, June Segal, Harold Slagle, and Marilyn Anson.

Members of the children's opera "The Little Sweep" which was presented as the third act were Roderick Gibb, Glenda Payne, Roger Egan, Zara Pretty, Herman Saunders and Steve Deitemeyer.

Robert Vitols as "Bob" played the piano accompaniments to the make-believe composing and rehearsals of the first two acts. In the third act production, Shirley Hurtz and William Bush gave an excellent performance of the 4-hand accompaniment.

Steen's Action Legal, Attorney General Rules

OMAHA (AP) — State Sen. George Syas said Friday night the attorney general's office had written him that State Game Commission Secretary Mel Steen did not violate any law if he directed Game Warden Harlan Huppert to withdraw a complaint filed against Game Commissioner Member Don Robertson of North Platte.

Such action by Steen is fully within the powers given to the secretary of the law, Deputy Attorney General Clarence Meyer wrote Syas. Meyer pointed out that the statutes give the secretary "general supervision" over the commission employes.

The complaint against Robertson involved alleged shooting of a game bird from a highway near Falls City. Steen held the charge could not be substantiated by solid evidence.

Was It 'Wise?'

Meyer said that the attorney general's office "could not say" as to whether Steen's action was "wise," a question posed by Syas in a letter asking for a general review of Game Commission laws and powers.

Meyer wrote that the secretary is bound by law to fully enforce all laws on the books relative to fish and game in the words they are written and can make no exemptions from such wording.

Syas was informed that the secretary may file charges seeking removal of an employe but the actual dismissal can be made only by the commission itself after a hearing. In the case of action against the secretary himself the commission must inform him of charges against him, grant a hearing and then take action. Inefficiency, neglect of duty and misconduct in office are grounds for action against a secretary, Meyer told Syas.

Tractor Kills Harper Farmer

GRANT, Neb. (AP)—Clair Weber 21, who lived near Harper, was found dead under his overturned tractor near Keota Friday. The tractor had been pulling a combine and wagon. There were no witnesses to the accident.

Fairbury Dad Drowns While On Sandpit Job

FAIRBURY, Neb.—A 30-year-old Fairbury father of three drowned Friday afternoon while working at the sandpits two miles northwest of here.

He was identified as Vernon Orth, 30, who was employed by the Weblemoe Sand Company. The firm maintains a sand pump at the sandpit.

Deputy Sheriff Frank Knocke said Orth apparently fell off a 25-foot square barge he was working on when an attempt was made to move the barge. The sheriff explained the barge "went wild" making it difficult to find Orth's body.

The accident occurred in mid-afternoon, but Knocke said it wasn't until 2½ hours later that the body was recovered from eight feet of water. Boats and grappling hooks were used in the search.

Orth's survivors also include his wife.

Thompson Heads Huskerville Legion

Dale Thompson was elected Friday night as Commander of The Huskerville American Legion Post No. 368.

Other officers are Gail Young, vice commander; Ben W. Alpuerto, adjutant; Bob Anderson, finance officer, and Harry Powell, sergeant at arms.

New Travel Insurance Plan Revealed

LOS ANGELES (AP) — Inauguration of a new travel insurance program for surface common carriers, mainly railroads and bus lines, was announced Friday by A. Maxwell Klum, chairman of the board of the Mercury International Companies.

The announcement was issued jointly in behalf of the Mercury International Companies; the Security Life and Accident Co., of Denver; and the Federal Life and Casualty Co., of Battle Creek, Mich.

Klum said the program, the first of its kind, would embrace insurance machines and counters in addition to sales by ticket clerks, patterned after that offered in major airports, namely high catastrophe limits for low premium.

Klum said a new company, Mercury International Transurance, Inc., will operate the program with W. R. May of Los Angeles as president.

Clint Murchison, Texas financier, is a major stockholder, Klum reported. The new company will maintain offices in Los Angeles and Dallas.

Klum described Mercury International companies as the nation's largest producers of insurance machines.

Klum is a former University of Nebraska student and football player, and the son-in-law of Mr. and Mrs. J. E. Lawrence of Lincoln.

New Producer

SIDNEY, Neb. (AP) — Petroleum, Inc., Friday announced a producer in the Benish No. 1, the 12th producing well in the Juelfs Field in Northwest Cheyenne county.

STEEL TALKS ARE AT A STANDSTILL

...Nationwide Strike In 13th Day

PITTSBURGH (AP) — United Steelworkers President David J. McDonald reported "no change whatever" as steel contract negotiators Friday recessed until Monday their efforts to end the 13-day-old nationwide steel strike.

Immediately after the two-hour negotiating session—the second in two days since government mediators intervened—industry representatives conferred privately with the government group. That meeting lasted an hour.

Joseph F. Finnegan, director of the Federal Mediation and Conciliation Service, said the industry negotiators gave him a report on their meeting with the union. He said "it would be unwise to comment" on the report "at this time."

No Comment

John A. Stephens, U.S. Steel Corp vice president and chief industry negotiator, told newsmen he was not at liberty to comment on the union-management meeting. He did not meet reporters after talking with Finnegan. Stephens requested the meeting with Finnegan.

Finnegan said the strike of 650,000 basic steel workers is a "serious threat to the nation's economy." But he added he did not consider it a matter that would require a personal report to President Eisenhower at this time. He added:

"I can't discount the seriousness of a strike in this basic industry and its great impact on the economy. The full repercussions have not yet been evidenced but will become evident if the strike continues."

Ed Sullivan Signs Rock 'n' Roll Elvis

NEW YORK (AP) — Ed Sullivan announced Friday he had signed rock 'n' roll singer Elvis Presley on the "Ed Sullivan Show."

The singing idol of the teen-age set will receive $50,000 for three appearances, CBS said. His first appearance will be Sept. 9 and the other two will be at approximately eight-week intervals.

A recent appearance of Presley with Milton Berle drew criticism because of his interpretative action. A subsequent appearance on the Steve Allen show drew comment because he was so subdued.

A CBS spokesman said Presley would not be under wraps on the Sullivan program.

Omaha Accident Fatal To Man, 46

OMAHA (AP) — A 46-year-old Omaha man was dead on arrival at Douglas County Hospital Friday afternoon following a one-car accident at the northwest edge of the city.

He was tentatively identified by the sheriff's office as Ed Williams, formerly a resident of St. Vincent's Home.

Radford Mum On 'Revolt'

...New Weapons May Make Possible Manpower Cut

WASHINGTON (AP) — The chairman of the joint chiefs of staff said Friday "it is possible that manpower requirements for the future security of the United States can ultimately be lower because of the introduction of new weapons."

Radford

The chairman, Adm. Arthur W. Radford, did not say how great the cut in the military forces might be.

The New York Times said Friday that the chiefs of the Army, Navy and Air Force are in "revolt" against a Radford proposal to slash U.S. armed forces by about 800,000 men by 1960.

Radford refused to comment on the "revolt" report, but said:

"The individual who attributes certain definite views to the chairman is anticipating conclusions which the chairman himself has not reached."

The Times said strategic defense planning has been halted until after the election because of opposition by the armed services chiefs to a concept which they feel would shrivel U.S. military contributions to the defense of Europe.

In a statement issued hours later, with Secretary of Defense Wilson's approval, Radford commented:

"The joint chiefs of staff have not been relieved of the annual requirement to advise on the pattern of military forces in the foreseeable future and their studies will continue until they are able to present their best advice to the secretary of defense.

"This may or may not be a unanimous recommendation."

Wilson affirmed that he had "read and approved" Radford's statement.

There was no comment from the chiefs of staff. They are Gen. Maxwell D. Taylor, Army; Adm. Arleigh A. Burke, Navy; and Gen. Nathan F. Twining, Air Force.

Canada OKs 75-Jet Gift To Germany

OTTAWA (AP) — Canada has agreed to give 75 Sabre Jet fighters to West Germany as the first Canadian contribution to that country under mutual aid.

First announcement of this $35,700,000 contribution was made by the German Foreign Office at Bonn. Officials here said the gift will be made over a period of time with the planes coming from Canada's air division overseas.

It is one of the biggest single gifts to a North Atlantic partner under the mutual aid scheme. Canada has made previous gifts of Sabres to other North Atlantic countries, such as Britiain, Greece and Turkey. Canada's contribution under mutual aid to all North Atlantic partners totaled about $1,200,000,000 in the last six years.

Oregon Town Is Isolated By Flood

PORTLAND, Ore. (AP) — A cloudburst unleashed a flash flood that destroyed 20 buildings at the central Oregon town of Mitchell Friday night, state police reported.

Sgt. Howard Benninghoff said the flash flood isolated the town of 400, located about 48 miles northeast of Prineville on Highway 28, knocking out the roads and all normal communications.

House Passes Bill With LAFB Funds

WASHINGTON (AP)—The House has passed by voice vote and sent to the Senate a bill appropriating $1,555,305 for miscellaneous federal activities, mostly military construction.

Included in the measure was $2,229,000 for the Lincoln Air Force Base, and $3,698,000 for Offutt Air Force Base, Omaha.

Wesleyan Dorm Counselors Selected

Six Nebraska Wesleyan University coeds have been selected as dormitory counselors for the coming year, Dean of Women Ethel Johnson announced. They are, back row, left to right, Shirley Yost of Omaha and Nancy Carter of Ogallala. Front row from left, Merlena Starkey of Oshkosh, Myrtle Lindemood of Twin Falls, Ida., Janet Reeder of Cambridge and Marcia Tiller of Indianola. (Wesleyan Photo)

NU TV Director Norris Heineman Dies At Age 25

Funeral services for Norris D. Heineman, 25, of 5015 Colfax, production director of KUON-TV, the University of Nebraska television station, will be 2 p.m. Monday at the Jessen Wisda Funeral Home at Ainsworth. Burial will be at Ainsworth.

Mr. Heineman

Mr. Heineman died Friday, after an illness of about a month. He was stricken with a kidney ailment.

Born at Ainsworth, he received his bachelor degree from the University of Nebraska in 1953 and his master of science degree from Syracuse University in 1954.

In 1951, he was news editor with Radio Station WJAG, Norfolk, and from 1951 to 1953, served as news editor and newscaster with Station KLMS in Lincoln. He joined the University staff in October, 1954.

Mr. Heineman was a Seacrest Scholarship winner at the university; president of Brown Palace Alumni Association; and member of Sigma Delta Chi, journalism fraternity; Alpha Epsilon Rho; Kappa Tau Alpha; and Beta Gamma Sigma.

Surviving are his wife, Boneita; a son, Robert, one month old; mother, Mrs. Amanda Heineman of Ainsworth; and brother, Edward of Seattle, Wash.

Asa Spaur Rites Set For Monday

Funeral services for Asa A. Spaur, 67, of 1345 H, who died Friday, will be 10 a.m. Monday at Roper & Sons. The Rev. G. T. Savery will officiate. Burial will be in Lincoln Memorial Park.

Mr. Spaur was born at Bladen, Neb., and had lived in Nebraska all his life and in Lincoln for 2 years.

He was a retired painter and decorator.

Surviving are his wife, Emma; brother, Delbert L., and sister, Mrs. Lula Burkner, both of Lincoln.

Auxiliary Elects Delegates To State Legion Convention

Delegates to the State Convention of the American Legion Auxiliary were elected at the meeting Friday of Lincoln Legion Post 3 auxiliary.

The convention is to be held in Grand Island August 6, 7 and 8.

Attending by virtue of their office will be Mrs. C. J. Rogers, president; Mrs. Roy Sheaff, secretary; Mrs. Genie McGlasson, Mrs. O. L. Webb, Mrs. W. J. McVicker, past department presidents, and Mrs. Hugh McVicker, department secretary.

Elected delegates are Mesdames O. W. Hackman, A. C. Wehr, H. R. Ball, V. H. Kitrell, J. D. Miller, R. D. Stage, P. H. Hoffman, C. R. Golding, Carl Steelquist, Charles Sherman, Lauretta Barnard, Carl Johnson, Otto Schnuelle, Ernest Lamb, Ray Elam, F. B. O'Connell, H. W. Jespersen, W. A. Doubt, Ed Munson, K. E. Lookabaugh, I. R. Dana, Robert Russel, Al Sweetman, and Miss Tillie Nefsky.

Representatives of Girl's State, Mary Jo Ryan of Cathedral High and Joan Schulz of Southeast High were introduced by Mrs. Robert Russell, local chairman.

Lincoln Unit chairman for the coming year were announced:

Mrs. H. T. Jackson, Americanism
Mrs. Glayds Schnell, budget and investments
Mrs. R. D. Stage, child welfare
Mrs. K. E. Lookabaugh, community service
Mrs. W. J. McVicker, Girl's State
Mrs. Dorothy Straw, Gold Star
Mrs. Otto Hackman, legislation
Mrs. Otto Schnuelle, Kensington
Mrs. C. R. Golding, membership
Mrs. Virgil Kitrell, music
Mrs. Mary McVicker, Civil Defense
Mrs. Earl Kleppinger, Pan-American
Mrs. J. D. Miller, poppies
Mrs. H. R. Ball, publicity
Mrs. R. C. Russell, radio
Mrs. Carl Steelquist, rehabilitation
Mrs. Glen Payne, social
Mrs. Mary Florrell, telephone
Mrs. Ed Munson, tuberculosis
Mrs. Genie McGlasson, Veteran's Hospital
Mrs. R. D. Stage, welfare coordinator

Mrs. Ernest Lamb was elected to fill a vacancy on the executive committee.

CATTLE LOSS CHARGED TO OMAHA FIRM

An Omaha insecticide maker was liable for damages because it sold metal drums, which had been used for transporting a deadly poison, to a firm which used them to deliver molasses to a cattle feeder, the Nebraska Supreme Court held Friday.

The court ruled that Eldon G. Colvin and Leonard Sweeney, who feed cattle at Carson, Ia., were entitled to $16,705.68 in damages from John Powell and Company, Inc., of Omaha.

Their losses were 33 herd of cattle that died and 187 head that survived but failed to make suitable gains.

On the "deadly instrumentality" theory, the Supreme Court declared:

"A manufacturer or other person owning or controlling a thing that is dangerous in its nature or is in a dangerous condition . . . who . . . disposes of that thing in a way that . . . will probably carry that thing into contact with some person . . . who will probably be ignorant of the danger, owes a legal duty to every such person to use reasonable care to prevent injury to him."

Chile Shaken

SANTIAGO, Chile (AP) — Earthquakes shook Chile Friday.

One person at Copiapo died of shock as the population panicked.

An undetermined number of copper miners were injured, some seriously, when caught by shifting earth at Huantema.

MILLER & PAINE AT THE CROSSROADS OF LINCOLN

Life's Little Ironies

It was one of life's little ironies which brought Robert Hall, an examiner on the staff of Agriculture Secretary Benson to Nebraska on a drought disaster mission at a time when so much of the state's planted acreage of corn was lush and green.

Benson cannot be expected to have an examiner on call for every region of a big nation. Nebraska itself can be so whimsical when it comes to weather. What is more beautiful than a blue Nebraska sky overhead, filled with mellow sunshine, a cool north wind, and Old Mother Nature in mellow spirit obliging enough to supply much-needed rain. That is what happens here in this state so often. It can be ever so lovely, ever so invigorating, and ever so eye-catching in the great variety of its climate.

It also can be rough and tough.

The trouble with Mr. Hall's visit is that he can be here this week with fields looking unusually well but because of a shortage of subsoil moisture and the arrival of searing temperatures in less than seven days the picture can be changed completely. Our main problem in Nebraska throughout the last half of July and the first half of August is timely, well-spaced rains. If they come we should be sitting on top of the world. If they miss us—well that is something else again. Mr. Hall should not get any funny ideas simply because in much of the state he finds a green verdant landscape.

That is subject to quick change.

And the examiner no doubt has discovered there are areas where pasture or feed conditions continue to be disturbing.

Aurora's Loss

It was of first concern, after fire destroyed Aurora's grade and high school building, to provide emergency quarters for the area's 300 and more students. In education, as in the theater, the show must go on. There is no such thing as cancelling out a year of the lives of school children.

It was gratifying to Nebraska to learn that Aurora put first things first and while the embers of the school were still smouldering school men and town leaders were able to say that temporary housing will be available and the fall term will open on schedule. The employment of a church structure and other buildings will serve well enough.

The capital loss is another matter. Aurora has construction under way of a new $450,000 high school. It had planned to use the structure which burned as a grade school. The future must determine how it is to be replaced and at what burden to the community.

Nebraska took a stand against federal aid to education and Congress but lately rejected its school bill. Aurora would have been greatly aided by a federal aid program. Loss of a structure by fire emphasizes certain merits in educational federal aid. Yet there are many communities in Nebraska whose facilities are being consumed without flame and smoke by rising enrollments and heavier demands on teaching. Their problem was not demonstrated as dramatically as Aurora's but it is equally real.

The Senate Steps In

Perhaps it was a sense of urgency, or if not that much, then a concern over the nation's slow moving atomic power program that spurred the Senate to passage of a $400 million dollar measure to expedite atomic reactors and electric generating plants by public enterprise. Should the House act as favorably on the bill then it will be the facts of life rather than political and economic philosophies that will determine the nation's atomic policies.

It is fair to say without criticism of private enterprise that the administration's "partnership policy" has been too starry-eyed. In the matter of atomic power it has been too much a case of handing out too great an assignment.

In the two years in which Nebraska's Consumer Public Power District has been ready and willing to put atomic power to practical use and test there have been practical barriers which still prevail. They will require a more liberal national policy before such barriers can be surmounted here or elsewhere. Public power districts, and private utilities are still confronted with limited insurance coverage for atomic plants. Although private carriers will cover to the extent of more than three times the risk of conventional thermal plants there remains beyond that a risk, as yet unascertainable, that warns business against such a chance. The government thus far has not accepted responsibility for the overflow risk.

There is the question in business of realistic investment generally determined by the reasonable return on the undertaking. Before private enterprise dares to plunge into atomic development it must be assured that outlays and reasonable returns are in line. Beyond that point the public responsibility is real and substantial.

Whether the Senate has correctly prescribed the remedy for the understandable delay in atomic development it will have at least moved in a proper direction—mainly that of greater federal responsibility and a more suitable deal for non-federal participation.

Lost Ground

The recent elections in Japan assured the continuing leadership of Premier Hatoyamo and, on the general assumption that approval of administrations largely co-operative with the United States is a good omen, the voting was reassuring.

But on closer inspection the West was not too well served. Premier Hatoyamo was not given the two-thirds majority in the upper house which he needed to give substance to his pro-West policies. This may not kill his campaign for constitutional reform but it will seriously delay it. He is an advocate of constitutional permission for rearmament, presently forbidden to the Japanese people and greatly desired by the West.

A tenacious disaffection for the conquering West plus the lure of neutralism with its promise of needed trade with Asia's communist countries contributed to the election results which more or less continued a pro-West government without real power to act.

Editorial Of The Day

Fear Deflated

(From The Christian Science Monitor)

For some weeks Americans have been subjected to a campaign of fear—to make them believe that United States air power was in danger of falling behind the Soviet's. Whether for selfish or patriotic reasons, this drive has presented a distorted picture designed especially to get more money for big bombers. It succeeded to the extent that Congress added nearly a billion dollars to the defense budget for that purpose.

This was done not on the basis of exact knowledge but of estimates as to the amount of bomber construction in Russia. It was done against the advice of the President and the Defense Department. It was done without taking into consideration the quality of American air power or its total amount. In the light of General Twining's report on his Moscow visit, this drive and the response of Congress to it appear strange indeed.

This is not a subject on which any thoughtful person wishes to be complacent. Air power looks like the chief military deterrent of war and it must be kept up to the mark. But defense planning cannot be soundly based on bubbles of fear. It may now go forward on a firmer foundation because some air has been let out of this one.

Of Men And Things

By J. E. LAWRENCE

Nothing succeeds like success, so we are told. Whoever came up with that must have had his mind upon the Republican National Convention in San Francisco in August. The Committee on Arrangements finds itself with three times more applications from press, radio, television, newsreel and other communication agencies than ever before in its history. And only a few days ago the planners were trying to figure out how they could rig up a program that could fill out a three-day schedule without boring spectators, radio listeners and newspaper readers. Crowds are a poor substitute for political drama.

★

One of the most thrilling political conventions since the turn of the present century came in 1932. Little did the American people, bestired as they were by increasing unemployment and falling business, know what was in store in the closing days of 1932 and the opening weeks of 1933. The delegates found lights off after midnight in the Loop in Chicago upon their arrival there for the June gatherings. Noisy, bustling Chicago was flat on its back financially, patches on its britches, hair uncut in the mounting economic storm that was ahead. The city lacked money on which to operate. We recall the arguments in both conventions over repeal of the Eighteenth Amendment to legalize the sale of liquor. How silly and absurd all of it sounded! Deserting the convention hall for a much more impressive development we went out to one of Chicago's parks to see long lines of jobless, frayed, unwashed, and depressed workers, out of jobs, being fed at soup kitchens, or what was called the Bread Line. From that rather dull beginning the 1932 convention developed into high controversy with its many dramatic appeals. There was little chance history would repeat.

Twenty Four Years Ago

★

Peace and prosperity is going to be the theme song in San Francisco. To the south—south of Los Angeles the visitor will see a great mountain of mines, a carry-over from the war in the Pacific. We are at peace but an uneasy peace at that. There are so many other developments. Dixon-Yates was back in the news.

★

In Illinois late Thursday the news columns also reported that Republican State Auditor Orville E. Hodge had been served with a subpoena directing him to appear before a grand jury investigating alleged irregularities involving possibly a million dollars. He was said to have told reporters that he was undecided as to whether to resign and he had no final answer for a demand by Republican Governor Stratton that he withdraw as a candidate for re-election on the Republican ticket. The Chicago American said it had been informed that Republican National Chairman Leonard W. Hall is concerned over what the probe may do to Republican chances in the November election. The great crusade to clean up American public life might find itself embarrassed in other spots. Corruption, if final investigation establishes the fact, does not recognize party lines or party labels. It follows its own devious path, without thought of individuals or the fortunes of political parties.

No Partisan Label

* * *

Although the present convention outlook suggests a deadly dullness in at least one and possibly both of the conventions of the major parties, who knows what to expect in the weeks ahead?

DREW PEARSON

Pearson Replies To Pan American

WASHINGTON — Pan American Airways, which advertises itself as "the world's most experienced airways," has also taken more newspaper editors and publishers on free junkets and employs more lobbyists and public-relation men than any other airway.

The full force of this public-relations battery is always brought to bear on any newsman who dares report on the activities of one of the world's biggest airlines, and a recent column by this writer was no exception.

The column in question was dedicated to the question of air safety and illustrated the manner in which the Civil Aeronautics Board and Civil Aeronautics Authority had failed to take proper safety precautions. It was not aimed at Pan American Airways, though a search of CAB-CAA files shows that Pan Am has been the chief offender when it comes to preventable accidents in the last 18 months.

Actually the column was much less critical of Pan Am than official records justified.

But since Pan American's public-relations men have now concocted a letter to newspapers denying various references to two Pan American accidents, which could have been prevented; and since the safety of American life on the airways is of crucial importance, let's take a more complete look at the Pan American safety record, as published in official CAB records.

☆ ☆ ☆

When a Pan American Boeing 377 ditched in the Pacific 35 miles off the coast of Oregon in March, 1955, the CAB made an examination of other Pan American propellors. This was because a propellor had worked loose on the No. 3 engine and caused the engine to fall out.

The fact was that the CAB found 13.5 per cent of the Pan American planes on the Pacific-Alaska division to have rusty or corroded propellor blades.

Here is the official finding of the CAB, page 7, Accident Investigation Report, File No. 1-0039:

"Corrosion which is known often to serve as foci for fatigue failure was found on 13.5 per cent of the PAWA-Pacific-Alaska division blades."

Pan Am also stated in its official denial of my column: "The CAB report definitely states: 'The aircraft was ditched under control.'"

Merely because a big corporation states something to be a fact doesn't make it a fact, no matter how many public-relations men it employs. Here is exactly what the CAB report stated:

"A Pan American World Airways Boeing 377 N 1032V was ditched in the Pacific Ocean . . . After No. 3 engine and propellor tore loose and fell free, followed by control difficulties."

This doesn't sound much like being ditched "under control."

The record makes various other references to the plane's uncontrollability, as follows: it "appeared to be on the verge of a spin . . . the captain tried to get the airplane under control . . . he still could not get the nose up . . . The aircraft continued to descend rapidly . . . A message was broadcast that ditching was imminent . . . contact with the water was severe; the impact dislodged life rafts and some seats were torn loose."

ED FITZHUGH

Unused Human Neck May Soon Disappear

There will always be a horse collar. The institution of the horse collar is like England in that respect, but just the same it was disconcerting news to us Amalgamated Reactionaries of America, Uninc., that the Jim Dandy Collar Co. has gone out of business.

Here was an outfit that once made more horse collars than anybody else in the world, and now its plant in Bradford, Ill., is closed and its good will has been sold down the river to some people in Mississippi. The tractor has triumphed.

I was never much of a horse-collar man myself, never having been able to tell whether you put the round end up or down, but it strikes me that this new blow at old institutions is the last step toward a new kind of evolution that might make everybody, including the human race, look pretty funny.

☆ ☆ ☆

Horses aren't the only things that are losing their collars and, simultaneously, their ability to work with their necks. The horse collar was preceded in its decadence by the bucket yoke — or whatever the human neck power carried up the name of the thing was — by which human neck power carried up the family drinking water from the old spring.

The yoke was an artistically tooled piece of wood with a circle cut out to fit the neck, indentations hollowed out to fit the shoulders, and long arms out to either side to balance water buckets at right and left. The chances are it was intended to leave the hands free to carry two more buckets of water, thus allowing a Saturday night bath to be carted into the house in one trip.

What will happen as the neck gradually falls into more and more disuse is a matter to be viewed with the greatest of alarm. Like any unused muscle, it will probably decrease in size until the head is supported on a mere lightning-rod of a thing. To be entirely fair, it must be admitted that this will not be entirely bad, because it would be hard under those circumstances to get a tight shirt collar.

☆ ☆ ☆

However, standing on one's head will become even more of a lost art than it is today, because a neck which can barely support a head is going to be entirely incapable of reversing the field and supporting the body. Also, it may become dangerous to go out in a high wind for fear of having to drop any packages you might be carrying and hold the head against bobbing in the wind.

On the other hand, perhaps the neck will entirely disappear, now that no further use can be found for it. In that case, it is devoutely to be hoped that the head establishes some other contact with the body before the transformation is complete.

It would be much better to have it resting between the shoulder blades than soaring around up there by itself.

Horses are lucky, even if the horse collar is on the way out. Their heads are big enough so that their necks get enough exercise, just lifting them. You can't say the same about most people.

(Chicago Sun-Times Syndicate)

DORIS FLEESON

Harriman Asserts Ike Unrealistic

WASHINGTON— Within an hour after Republican National Chairman Leonard W. Hall made his anticipated announcement that President Eisenhower would be a candidate for re-election, Governor Averell Harriman of New York had taken him at his word.

Harriman delivered a direct and vigorous attack on Mr. Eisenhower's conduct of the presidency to a packed house at the National Press Club. The burden of it was that the President does not really understand his great office nor how to use its vast powers.

At home, Governor Harriman charged, the President is letting big business aides run the show, while abroad he is being naive about the Russians and frittering away American leadership of the free world.

The New York governor, an associate of the then General Eisenhower in the war and post-war period, believes all this to be true. The President knows Harriman is saying it and scarcely speaks to him now when they meet.

☆ ☆ ☆

In his press club speech, Harriman made a case against Mr. Eisenhower which many of his party have long wanted said. How much good it will do the Harriman presidential ambitions is moot; it seems improbable that he can now overtake Adlai Stevenson.

Nevertheless, he is speaking for many Democrats of the North, West and East who have chafed under the Lyndon B. Johnson "centerist" leadership of the Senate and the reluctance of many party spokesmen to meet the Eisenhower threat head-on.

The present Democratic Congress has both failed to lay a glove on the President and will not produce the kind of record on which a political fight against the Republicans can be waged. Into this vacuum Harriman has stepped with both feet and brass knuckles.

It is to some extent a change of emphasis in his campaign. He had appeared to be headed in the direction of a party showdown with the South and the Johnson leadership over civil rights.

That stand he has moderated. He is calling for support of the Supreme Court decision banning segregation; he insists that he still belongs on the civil rights side.

Now, however, he is running against Mr. Eisenhower. Reporters generally thought him effective at the Press Club.

☆ ☆ ☆

A high point was his use of the revelation in Robert J. Donovan's inside story of the Eisenhower years that the President got so disgusted with Old Guard Republicans in 1953, he thought of starting a new party. Harriman cogently argued that had the President realized what he could do with presidential prestige, appointive power and propaganda, he could have reformed his party from within.

A THOUGHT FOR THE SABBATH

Stories Of Famous Hymns

Safe In The Arms Of Jesus

Safe in the arms of Jesus,
Safe on His gentle breast,
There by His love o'ershaded,
Sweetly my soul shall rest.
Hark! 'tis the voice of angels,
Borne in a song to me,
Over the fields of glory,
Over the Jasper sea.

Safe in the arms of Jesus,
Safe from corroding care,
Safe from the world's temptations,
Sin cannot harm me there.
Free from the blight of sorrow,
Free from my doubts and fears;
Only a few more trials,
Only a few more tears!

Jesus, my heart's dear refuge,
Jesus has died for me;
Firm on the Rock of Ages
Ever my trust shall be.
Here let me wait with patience,
Wait till the night is o'er;
Wait till I see the morning
Break on the golden shore,

★

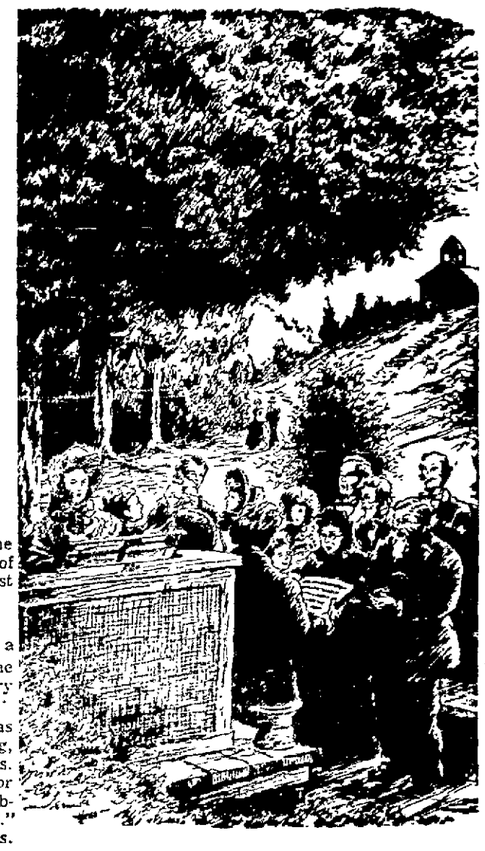

By HORACE B. POWELL

Most admirers of Fanny Crosby put "Safe In The Arms of Jesus" at the very top of her long list of hymns. Written in 1868, it became one of the most popular and precious of the gospel songs.

Its theme was inspired by the verse in Isaiah 40:11—"He shall feed His flock like a shepherd: He shall gather the lambs in His arms and carry them in His bosom."

Bible verses, memorized as a child when she was learning to turn the blight of blindness into blessing, echoed in many of Fanny Crosby's hymns and songs. She wrote thousands of them during her lifetime. For a while she had a commission from one of her publishers to write "three hymns a week the year round."

There is a deep spiritual note found in her hymns.

MARQUIS CHILDS

West Relaxed After Geneva

WASHINGTON — One year ago the heads of state of Great Britain, France, the United States and the Soviet Union were preparing to meet in Geneva, Switzerland, for the most momentous—and the most intensively publicized—conference since the end of World War II. An American president would for the first time in peace sit down across the conference table from the masters of the Communist half of the world.

Never before had such a battery of press, radio, television and newsreel specialists gathered to record a single event. The outward and visible evidence of the good will generated at Geneva was projected to the farthest corners of the earth.

But the debate has gone on ever since as to what this vastly publicized meeting really signified. It has been dismissed as an ad man's dream of glory generating a false and, therefore, a dangerous sense of harmony. Certainly in the campaign this fall the Republicans will pull out all the stops on the theme of an Eisenhower peace linked to Republican prosperity.

As was quickly proved when the foreign ministers met in October, under instructions from the heads of state, not one of the outstanding differences between East and West had been resolved. The Communists and the Western powers were just as far apart as they ever had been on German reunification and disarmament. Although they had some advance word of it, the Western powers did not even bring up at the Summit conference the proposed Communist arms deal with Egypt, and in retrospect, with war threatening in the Middle East, this may seem to have been the most glaring failure of the Geneva meeting.

☆ ☆ ☆

On two points, however, there is wide agreement that the conference did produce positive results.

First, President Eisenhower convinced world opinion that the United States wanted peace, counteracting a widely-held view of this country as a warmonger triggering the hydrogen bomb. Neutral leaders such as Prime Minister Jawaharlal Nehru of India were deeply impressed. Even those most critical agree that this was a positive achievement.

Second, the conference helped to "relax tensions" on both sides of the iron curtain. But it is just on this point that the critics are fearful of the consequences. A powerful case can be made that in the West the relaxation is real and that it will become total relaxation. In the Communist sphere, the relaxation is more apparent than real, more nearly a propaganda show than a fact.

The consequence, in the pessimistic view, is that even with a degree of real relaxation in the Communist world, the Soviet curve of productive strength will go up steadily until at some point between 1965 and 1975 Soviet production will exceed Western production.

This is the view expressed by former Secretary of State Dean Acheson when, in a recent speech, he pointed to the fact that out of Russia's total production 20 per cent is going for the military and 40 per cent into investment for the future, with only 40 per cent for civilian consumption. In the West, up to 73 per cent of what is produced is consumed by the civilian population.

So much must be weighed in trying to forsee the future balance of power. The number of jet bombers on each side is merely one obvious element.

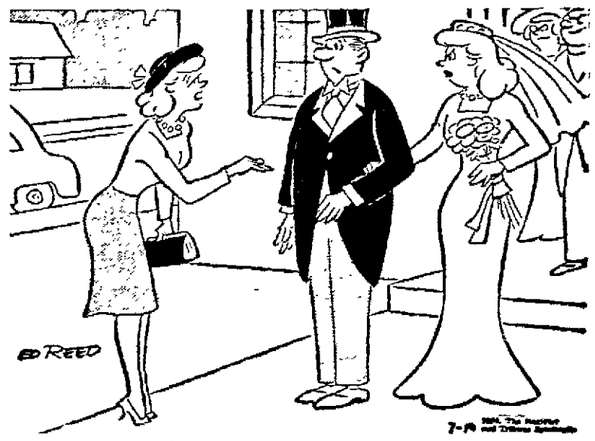

☆ ☆ ☆

Deep divisions at home and abroad make for damaging conflict in the free society of the West. If Americans are so divided they cannot agree on a way for the federal government to help public schools, then the American educational system will continue to deteriorate and Russsia will continue to turn out more and better trained scientists and technicians.

What has happened in the year that has passed is surely no reason for the smugness and complacency too often voiced here. The tangibles and intangibles to be weighed on the great scales of the future should give pause even to the headiest optimist.

Elvis Presley

Lincoln, Neb.

To the editor of The Lincoln Star:

I am one of the so-called "wild" teen-agers of modern times. I have just read a letter published in The Star. In this letter the writer criticizes Elvis Presley's gyrations when he sings. She also says she does not care for this type of modern music. Well, in my opinion, this is a type of music that will be and probably is as popular as the Charleston of their day . . . Let's face it—the writer of the letter is getting old!

ROBERT LEIMERKAS

No Action Taken On Fryingpan-Arkansas Project

Two Testify On Hells Canyon

WASHINGTON (AP) — The House rules committee Friday jumped from Colorado's Fryingpan-Arkansas project into the Hells Canyon project and promptly found out that each has two sides.

It completed hearings without acting on the 157 million dollar transmountain diversion project to bring supplemental water from western to eastern Colorado.

Only two witnesses were heard on Hells Canyon—a bill to authorize construction of a high federal dam in the Snake River along the Idaho-Oregon border where the Power Commission has authorized the Idaho Power Co. to build three low level dams.

Best Remaining Damsite

Chairman Engle (D-Calif) of the House Interior Committee, supporting the high federal project, described the Hells Canyon site as "probably the best remaining" power damsite in the United States.

He said the power commission examiner, William J. Costello, found the high dam "dollar for dollar the most ideal development" but recommended issuance of licenses to Idaho power in the belief that Congress would not authorize the federal project.

Rep. Miller (R-Neb), ranking minority member of the committee, contended the three-dam plan of Idaho power would produce within two per cent of the power output of the high dam at no federal expense and would pay taxes as well.

David City Legion Elects A. Comte

Lincoln Star Special

DAVID CITY, Neb.—Albert (Bud) Comte is the new commander of the American Legion post here, succeeding Albin M. Grubaugh. The new commander is the first Korean campaign veteran selected to head the David City post. He has been vice commander the past year, and directed a highly successful membership campaign.

Named first vice commander was Arthur A. (Jim) Foreman Jr. Leo Hoffbauer is the new second vice commander.

Other officers named by the post are Emil Bohuslavsky, adjutant; C. A. Jones, finance officer; Dr. R. G. Rich, honorary chaplain; Ben Stahl, chaplain; and W. E. Hall, service officer.

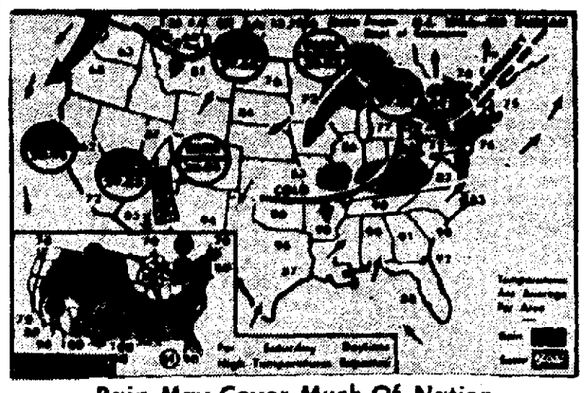

McCook Will Host State VFW Meet

McCOOK, Neb.—Eight hundred delegates are expected to attend the Nebraska Veterans of Foreign Wars conference here in October. The new state commander, Wilbert Wagner, lives at near-by Culbertson.

Rev. Martens Leaving Clearwater Pastorate

CLEARWATER, Neb.—The Rev. E. Martens and his family left here this week for their home in Frazee, Minn., where the Rev. Mr. Martens will have charge of the Lutheran Church in Frazee.

He was pastor of the Concordia Lutheran Church in Clearwater since 1954.

Rain May Cover Much Of Nation

Rain is forecast for much of the country except the Great Lakes, upper Mississippi Valley, parts of the Ohio Valley and the Pacific coastal areas. It will be cooler in the area from the northern Rockies to the Pacific coast, and warmer in the eastern part of the northern Plains. Little temperature change is expected elsewhere (AP Wirephoto Map)

Grant Youth Fatally Hurt

GRANT, Neb. (AP)—Dan Zingg, 14-year-old son of Mr. and Mrs. John Zingg, was fatally injured when the truck he was driving plunged off the road near Grant and overturned.

He died in the Perkins County Hospital at Grant.

Young Zingg was returning to his home after working late in the field when his pickup plunged off the road.

Survivors include his parents, two sisters and two brothers.

His death brings the 1956 Nebraska Highway death toll to 148 compared with 152 at this time last year.

New Fairgrounds Hall Ready For 4-H Camps

SEWARD, Neb. (AP) — A new dining hall has been completed at the Seward Fairgrounds park, just in time for the first 4-H camp starting July 19. The building cost about $6,000 and has about $2,000 worth of equipment.

Sharing the cost of the building were the 21-county district 4-H organization, the Seward County Fair Board, the Seward Chamber of Commerce, Ak-Sar-Ben and other public service organizations.

Longtime Madison Cutodian Is Cited

MADISON, Neb.—Henry Lowman, custodian of the Madison public schools for 44 years, was honored when the Madison school board presented him with an engraved gold wrist watch.

Retiring last January due to ill health, Mr. Lowman began working at the schools as an interior decorator. He has done all of the decorating in the buildings during the years he was employed there.

For the first 41 years as custodian, he went to the school at 4 a.m. each day, seven days a week, to fire the boilers, which were fired by hand. Gas and oil heat have replaced this system now.

Through his working years he has seen many three generation family groups graduate from Madison High School.

Home Talent Programs Set For Sherman Fair

Lincoln Star Special

LOUP CITY, Neb.—The Loup City Lions Club will again have charge of the home talent programs to be presented each night of the Sherman County Fair, Aug. 12, 13 and 14.

Improvements costing $800 are being made in the 4-H display hall and will be ready at fair time making the hall one of the best in this area.

Major School Redistricting Plans Okayed

FALLS CITY, Neb. (INS) — The Richardson County redistricting committee has approved two plans for major reorganization of school districts in the county.

One plan calls for consolidating the county's 90-odd districts into four large districts with valuations ranging from 6 to 16 million dollars. The other calls for three districts, ranging in valuation from 9 to 12 million dollars each.

In each district there would be a single high school plant and the larger existing plants would be utilized for grade schools.

The committee said it hoped that bordering school districts in Nemaha County, which now are part of the Richardson County school system, can be included in the proposed reorganization.

Detailed maps and other data on the proposed new districts are being prepared and the committee will then ask for objections and suggestions.

Widow Appointed To County Post

BUTTE, Neb.—Mrs. Charles J. Tomek has been appointed by the Boyd County Board of Supervisors as county clerk, succeeding her husband who held the office until his death in Lincoln last week.

Mrs. Tomek has been deputy clerk several years, and worked with her husband in the county treasurer's and county clerk's office during the 35 years he held the elective positions.

Nebraska News

Litchfield Plans Old Settlers Day

Lincoln Star Special

LITCHFIELD, Neb. — Litchfield will hold its twelfth annual Old Settlers Picnic next Tuesday and Wednesday, July 17 and 18. Along with the picnic there will be a 4-H and FFA stock show.

Parades will open the activities each day with the kiddies parade at 10 a.m. Wednesday. A flower show, antique show, baseball games, stock show and a home talent program have all been scheduled. A carnival and dance each evening complete the activities.

Increased Aid For Lexington Plant Offered

COLUMBUS, Neb. (AP)—Two more Nebraska rural public power districts have signed pledges offering interim financial help in construction of the 100,000-kilowatt steam generating plant at Lexington, the Nebraska Public Power System said Friday.

This brings to 17 the number of rural districts that have offered help. The latest to offer help were the Franklin County and North Central districts.

The 17 have pledged a total of a little less than one million dollars, considered ample to carry plant construction through 1956. An REA loan application for the full cost of the 17-million dollar plant is pending.

NPPS said that so far it has turned over $163,500 in cash to the Central Nebraska Public Power and Irrigation District, which is building the plant.

Strategic Missiles Squadron Planned By Officials At SAC

OMAHA (AP)—The Strategic Air Command announced Friday it is beginning to plan for a strategic missiles squadron which will be ready to handle long-range guided missiles "when they become operational."

The headquarters said SAC's first guided missile unit will have the job of planning for integration of the intermediate range and intercontinental missiles into the strategic force structure. Although SAC does not expect them to be in operational use for several years, the use of missiles will present new problems, selection of launching sites and other advance planning.

The announcement said SAC will continue to depend on the combat crew and the jet bomber for its major striking power far into the missile era, but when missiles of proven reliability, accuracy and destructive yield are available they will begin to augment the bomber forces.

SAC's announcement said that the deterrent character of SAC demands that it be prepared to operate new long-range weapons systems as they are perfected and at the same time maintain its instant readiness to win any global nuclear war with the proven means at hand.

Wayne Is Sponsoring 7th 'Tour For Credit'

WAYNE, Neb.—The seventh annual "tour for credit" sponsored by Wayne State Teachers College will take students on a 23-day visit in the Northeast and Canada July 29 to August 20.

Suzanne Sickel, Guest

An attractive young guest in Lincoln is Miss Suzanne Sickel who arrived from Saratoga, Calif., a few days ago to spend the remainder of the summer as the guest of her grandparents, Mr. and Mrs. E. T. Sickel.

Miss Sickel, the daughter of Mr. and Mrs. Edward T. Sickel, Jr., of Saratoga, has visited in Lincoln before and has a wide acquaintance among the young set.

It Says In Our Little Red Book

IT SAYS here in our little red book—"check on fish story from Florida—check on Sarah Murray and Joan Fankhauser—two former coeds and Kappas at Nebraska—check on new officers of 100 Club"—and on and on.

So we proceeded to check and here is what we learned—

* * *

FIRST, about the two former coeds—Sarah Murray, as many of her Kappa Kappa Gamma sisters of a few years ago will remember, now is Mrs. James Pettis of Yuba City, Calif., and Joan Fankhauser is Mrs. Tony Clementi of Pueblo, Colo., and both are in Lincoln at the moment—as is Mr. Pettis.

Since their arrival, which for Mr. and Mrs. Pettis was Thursday evening, and Friday for Mrs. Clementi, the guests have had few idle moments—

On Friday evening the visitors were honored by Mr. and Mrs. J. Taylor Greer who entertained informally at an hors d' oeuvres party at their home—and today Mrs. Pettis and Mrs. Clementi will be complimented when Mrs. Donald Pegler, Jr., entertains at luncheon at the Lincoln Country Club. Luncheon places will be arranged for 13.

* * *

THEN comes Saturday evening and the 6 o'clock-to-8 o'clock party for which Miss Jacqueline Merritt will be hostess in the garden at her home, honoring the visitors.

Planned for Sunday evening is the supper for which Mr. and Mrs. Richard Knudson will be host and hostess to a very small group of guests at their home in courtesy to Mr. and Mrs. Pettis and Mrs. Clementi.

* * *

APROPOS of guests — Understand that Maurice Mitchell of Willmette, Ill., president of Enclopedia Britannica, and Paul Carnahan of Des Moines, have been in Lincoln this week—Mr. Mitchell to attend the Teachers College Educational Policies Commission Conference.

On Thursday evening Mr. Mitchell and Mr. Carnahan were dinner hosts at the Compass Room when their guests were Dr. and Mrs. K. O. Broady, Dr. and Mrs. W. C. Meierhenry, Mr. and Mrs. L. D. Cole and Mr. and Mrs. R. E. Stepp.

Mr. Mitchell, by the way, was one of two United States representatives at the UNESCO educational film conference held in Europe.

* * *

ABOUT the fish story we mentioned — A paragraph in the Miami Daily News for July 6 caught our eye—it says:

"Mrs. Jerry Mapes, Lincoln, Neb., did allright on her first trip on the briny deep. She boated kingfish weighing 10 and 26 pounds, 1 ounce aboard the Popeye."

Incidentally —Mr. and Mrs. Mapes are back in town after their trip to Florida. En route home they spent some time at Lexington, Ky. A postscript on the fish story is that Mrs. Mapes's biggest catch—the 26-pounds-1-ounce fish is entered in a largest fish contest in Miami—but the final results won't be known until the contest closes on Sept. 3.

* * *

WHEN the members of the 100 Club board met on Thursday evening at the home of Mr. and Mrs. Jack Hyland they elected Howard Cather Jr., as president for the coming year. Dr. Donald Purvis is the new vice-president; Harry Seward, treasurer; Dr. Ben James, assistant treasurer, and Mrs. Stanley Maly, Jr., publicity chairman.

* * *

THERE'S news from the Talcum Powder crowd this morning—We learned, for instance, that Miss Helen Ann Morrow arrived on Thursday, July 12, at Lincoln General Hospital. The young lady is the daughter of Mr. and Mrs. John Morrow.

* * *

AND from San Diego, Calif., comes news of the birth of a son, Steven, to Mr. and Mrs. John W. Sinclair, on Thursday, July 12. Mrs. Sinclair is the former Jean Dana, daughter of Mrs. Mary Dana of Lincoln and a former student at the University of Nebraska where Mr. Sinclair is a member of Phi Gamma Delta.

* * *

UNDERSTAND that Mrs. E. W. Hancock has house guests—her son-in-law and daughter, Mr. and Mrs. William Bouwsma and their four children, John, Philip, Paul and Sarah of Urbana, Ill. Mr. and Mrs. Bouwsma and their family will be moving to Berkeley, Calif., where Mr. Bouwsma will be a member of the faculty at the University of California.

* * *

HEAR that Mr. and Mrs. Wayne Cooper, their son, Tommy—and daughter, Kay—will be leaving next Friday for Minneapolis where Mr. Cooper will attend the national convention of Cosmopolitan Club.

* * *

WE learned, too, that Miss Maisie Cox has chosen Sunday, Aug. 26 as the date of her marriage to John Hale. The ceremony will be solemnized at 4 o'clock in the afternoon at St. Paul Methodist Church.

Miss Cox was complimented last Wednesday when Mrs. A. W. Epp entertained at luncheon at the University Club. The soon-to-be bride was presented with a kitchen shower.

To Be Morning Bride

MISS DELLA ELIZABETH LOHMEIER, who will become the bride of Edwin Dale Olson of Hildreth on Saturday morning, July 14.

The altar of St. Mary's Cathedral will be decorated with arrangements of white and yellow gladioli for the marriage of Miss Della Elizabeth Lohmeier, niece of Miss Eva E. Lohmeier of Lincoln, to Edwin Dale Olson, son of Mrs. E. C. Olson of Hildreth, on Saturday morning, July 14. The 11 o'clock ceremony will be solemnized by the Rev. John Flynn, and Miss Catherine Gillespie, organist, will play the wedding music and accompany the vocal soloist, Miss Sharon Glenn, Omaha.

The maid of honor and her sister's only attendant will be Miss Mary Lohmeier who will wear a frock of yellow crystalette. A deep cuff of the crystalette frames the bateau neckline and continues across the shoulders to form cap sleeves, and beneath the elongated bodice, the skirt flares into fullness. She will complete her ensemble with a picture-brim of yellow net and will carry a muff of yellow carnations. Miss Cathy Weiler of Denver will be her cousin's flower girl.

Dean Jelden of Hildreth will serve his cousin as best man, and the ushers will be LaMoyne Post and Lawrence Lohmeier.

The bride, who will be given in marriage by her brother, Kenneth Lohmeier of Chicago, has chosen a gown of white tulle and imported lace for her wedding. Tiny sequins trim the mandarin collar of the molded bodice of lace, which is designed with long, fitted sleeves, and the lace extends below the slim waist to trim the very full skirt of tulle. Her illusion veil will be held to the head by a cap of sequin-embroidered lace, and she will carry a muff arrangement of white carnations and yellow rosebuds.

Immediately following the ceremony, a reception will be held in the church hall. Upon their return from a wedding trip to the Ozarks, Mr. Olson and his bride will reside at 2725 So. 16th.

The bride is a member of Alpha Lambda Chapter of Epsilon Sigma Alpha sorority. Mr. Olson is a student at the University of Nebraska.

THE BRIDES' BOOK SAYS:

This morning, Miss Marilyn Campbell announces that her marriage to Donald Halverson of Eagle will be an event of Saturday evening, July 14. The 7:30 o'clock ceremony will be solemnized at the Christ Methodist Church.

Miss Campbell has also chosen the members of her bridal party. Her sister, Miss Donna Campbell will be the maid of honor and the bridesmaids will be Miss Carolyn Campbell and Mrs. Vernon Flesner, both sisters of the bride-elect. Preceding the ceremony, the candles will be lighted by Miss Phyllis Moormeier, and Miss Lola Fairchild. Joan Faldtz will be the flower girl and the rings will be carried by James Faldtz.

Miss Georgia Hudson, whose marriage to Lt. Richard M. Gilfillan of Stillwater, Minn., will take place on Saturday, July 28, is naming the members of her bridal party this morning.

For her matron of honor, Miss Hudson has chosen Mrs. Shirley Krause of Lincoln, and her bridesmaids will be Miss Jean Gilfillan of Stillwater, sister of the bridegroom-elect, and Miss Ann Schleiger, Lincoln.

Robert Hudson of Hollywood, Calif., brother of the bride-to-be, will serve Lt. Gilfillan as best man, and the ushers will be Allan Mischelett and Richard Hudson, also a brother of Miss Hudson.

Recent parties given in prenuptial courtesy to Miss Hudson include the miscellaneous shower for which Mrs. Sam Schleiger and her daughter, Miss Ann Schleiger, were co-hostesses to 25 guests at their home, and the bridal shower at which Mrs. Laura Hartman and Mrs. Alice Simmons entertained a group of 20 guests at the home of Mrs. Hartman.

For her marriage to Stanley Manske on Friday, July 20, Miss Vivian Jo Gray has chosen her sister, Mrs. Gene Retzlaff, as her maid of honor. Mrs. Stanley Brandt of Martell will be her sister's bridesmatron, and the bridesmaids will be Miss Vicki Bouma of Firth and Miss Phyllis Buel, Hickman.

Lighting the candles for the 8 o'clock evening ceremony, which will take place at the Martell Methodist Church, will be Miss Lorilee Bouma of Firth, and Miss Audrey Evers, Hickman. Miss Georgia Manske, sister of the bridegroom-elect, and Miss Gray's niece, Miss Marian Brandt, will be the flower girls.

Glenn Manske will serve his brother as best man, and the ushers will be Wayne Manske, also a brother of Mr. Manske, Paul Reiner, Waverly, Donald Magee, Gene Retzlaff and Richard Wagner.

Preceding the wedding rehearsal on Thursday evening, July 19, Mr. and Mrs. Lafe Gray of Roca will honor their daughter and her fiance at a prenuptial dinner to be held at their home. The guests will include members of the families and bridal party.

Last Monday evening, Miss Gray was honored when Mrs. Glenn Manske and Miss Vivian Hevelone entertained at a dessert supper and shower at the home of Mrs. Manske, and another recent party for the bride-to-be was the dessert luncheon for which Mrs. James Williams of Martell, Miss Vivian Block and Miss Dorothy Williams were co-hostesses at the home of Mrs. Williams.

Miss Gray was the honoree recently at an evening party at the home of Mrs. Gerald Borge. Mrs. Richard Cummings was co-hostess for the dessert supper and shower. Also included among courtesies for the bride-elect was the shower given by Miss Audrey Evers and Miss Phyllis Buel at the home of Miss Evers.

Guests From Seattle

Among the many houseguests in Lincoln are Mrs. Paul Coleman and her daughter, Gail Ann, of Seattle, Wash., who arrived in Lincoln on Monday, for a week's visit with Mrs. Coleman's sisters, Mrs. Kenneth Bailey, Mrs. Frank Figge, Mrs. Madge Roby and Mrs. Johnny Johnsen.

Discussing further plans for the vacation trip to Colorado are (left to right) Mrs. Coleman, her daughter, Gail Ann, and Mrs. Johnsen. Mrs. Coleman and her daughter will be leaving next week with Mr. and Mrs. Johnsen and their two daughters, Sidney Ann and Kathy for a week's vacation in Colorado from where Mrs. Coleman and Gail Ann will return to Seattle.

SUBURBIA

Because Park Manor is one of the newest additions to Lincoln's residental area, we spent most of our time this morning getting acquainted with several families who recently have settled in the Manor area. Not all of our news this morning however is centered around newcomers for we learned of vacationers, a dinner party and a new member of the talcum powder set.

First of all, we know that Mr. and Mrs. Charles Sconyers and their two children, Patsy and Ronnie left last Monday morning for a vacation trip to Colorado.

We mentioned new neighbors in Park Manor and right now we would like to dust off the welcome mat for Mr. and Mrs. William A. Miller who are in the midst of getting settled in their new home at 1620 Circle Dr. Mr. and Mrs. Miller are no strangers to Lincoln for they had been living at 2334 So. 27th St., before moving into their new home at the end of June.

Next, we would like to roll out our rather well-worn red carpet for Capt. and Mrs. W. H. Cates and their five year old son, John, who now are living at 1941 Riviera. Capt. Cates and his family recently have been transferred to the Lincoln Air Force Base after being stationed in Honolulu. Before coming to Lincoln, however, Capt. Cates completed his training at the personnel school in St. Louis, Mo.

And we also have welcomed Lt. Col. and Mrs. George F. Snyder and their two children, Susia and George III. Col. Snyder and his family recently moved to Lincoln from Maxwell Air Force Base in Montgomery, Ala., and now are settled in their new home at 2040 Riviera Dr.

Now that we have called the roll in our new neighbors group in Park Manor, let's get back to the business of telling about the social activity. We know that Mr. Mrs. Robert Dunn returned to Lincoln on Tuesday evening, July 10, after attending the Nebraska Photographers Association Convention which was held in Omaha from Saturday, July 7 through Tuesday.

But one scarcely had a chance to say hello to Mrs. Dunn before she was off again. She left last Wednesday for Burr where she spent several days as the guest of her parents, Mr. and Mrs. Paul Sugden.

Our dinner party concerns Dr. and Mrs. Dale Hays who will be the guests of Col. Robert Taylor of Cleveland, O., for dinner at the Lincoln Air Force Base Officers Club on Saturday evening, July 14. Col. Taylor will be returning to Cleveland on Sunday, July 15.

Before we leave for another week, we want to take time out to welcome young Douglas Kent Heineman who was born to Mr. and Mrs. Joe Heineman on Sunday, July 8, at the Bryan Memorial Hospital. Mrs. Heineman is the former Mary Alice Smith.

Courtesy

The members of the Northside Jolly Eight Club honored Mrs. Bertha Long at a farewell party last Thursday evening at the home of Mrs. Leonard Stein. The affair was an outdoor picnic supper which included all members of the group, and five guests present.

Mrs. Long, who plans to leave later this month for Washington where she will reside, was presented with a gift.

Ceremony On Saturday

In the presence of members of the family and a small group of friends, the marriage of Miss Margaret Ann Lyon, daughter of Mr. and Mrs. Edward L. Lyon, and John M. Spray, son of Mr. and Mrs. Max Spray of Hillsboro, Ia., will be solemnized on Saturday morning, July 14. Dr. Frank Court will read the lines of the 10 o'clock service in the chapel of St. Paul Methodist Church.

Mrs. Ralph Lyon will attend her sister-in-law as matron of honor and will wear an ensemble of pima cotton and silk in the summer beige tone. Designed in the daytime mode, the sheath frock will be completed by a fitted jacket, accented by a shoulder corsage of white and aqua-tinted daisies.

Serving his brother as best man will be Max Spray.

The bride's gown of pastel aqua lace smoothed over taffeta is designed in the demi-length. Fitted, bracelet sleeves and a shell neckline accent the molded bodice, and the fullness of the circular skirt is controlled by a hip-yoke of aqua satin caught into a side drape. Her plateau cap of aqua-tinted flowers is briefly veiled with illusion in matching tone, and she will carry a bridal bouquet of white orchids and Majestic daisies.

Following the service, a reception will be held at the home of the bride's parents, after which the couple will leave for a wedding trip to Canada and the Pacific Northwest. They will make their home at 1115 So. 40th.

The bride is a graduate of the University of Nebraska, where she is a member of Alpha Xi Delta sorority, and has been a faculty member of schools at Rochester, Minn., the Hawaiian Islands and in Lincoln. Mr. Spray is a graduate of Iowa Wesleyan University.

Had Church Wedding

MR. AND MRS. FREDERICK G. ABBEY

Garden flowers in pastel shades decorated the chancel of the First Baptist Church at Randolph, N. Y., Saturday afternoon, June 23, for the marriage of Miss Barbara Flo Roth, daughter of Mr. and Mrs. Clair C. Roth of Randolph, formerly of Lincoln, to Frederick G. Abbey, son of Mr. and Mrs. Walter Abbey, also of Randolph. The ceremony was solemnized by the Rev. R. Leo Gathany in the presence of 150 guests, and Miss Margaret Weyhe of Olean, organist, played the wedding music. Miss Weyhe also accompanied the vocal soloist, Deane Waite of Little Valley, N. Y.

As the maid of honor, Miss Ruthanne McClelland of Buffalo, N. Y., wore a frock of powder blue chiffon fashioned in the ballerina mode. Wearing similar frocks in pastel tones were the bridesmaids, Miss Priscilla Young, Miss Karla Roth, sister of the bride, and Miss Elsie Abbey, sister of the bridegroom. They completed their costumes with floral headbands and carried bouquets of carnations. Miss Deborah Gathany was the flower girl.

Serving as best man was Roger Cowan, and the ushers were Michael Burnside, John Fisher, both of Randolph, and the Rev. Carlton Baker of Conewango, N. Y.

The bride's gown was fashioned of white lace and tulle over satin. A rounded yoke of illusion, completed by a tiny collar of lace, accented the fitted basque, and the sleeves were long and tapered. The lace and tulle skirt was shirred into fullness, and her illusion veil was edged with lace and was held to the head by a tiara of sequins. She carried a white Bible ornamented with white glamelias.

Following the reception held in the church parlors, the couple left for a Florida honeymoon. They will reside at Randolph, N. Y.

We Hear That

George V. Oberlander and his daughter, Mercedes, have been vacationing in Mexico. Mr. Oberlander and his daughter made the Hotel Virreyes in Mexico City their headquarters, but took motor trips to various other interesting points in Mexico.

Golf Program Is Postponed

The intra-women's golf program, planned for Tuesday, July 17, at the Lincoln Country Club, has been postponed until Tuesday, July 24, because of the women's state golf tournament opening in Omaha on Monday.

The regular ladies day golf program will be held as usual at the club on Tuesday.

Annual Picnic For 'Teen-Agers

Teen-age girls at Whitehall were special guests at a Saturday picnic when Zeta Chapter of Beta Sigma Phi, young business women's sorority, entertained at Capitol Beach. The picnic is an annual affair given by the chapter and included a program of games and fun as well as a variety of good food.

Chapter members in charge of arrangements for the picnic were (left to right) Miss Gladys Hablitzel, chapter president; Mrs. Kenneth Draper; Miss Joan Rustermier; Mrs. William Hartley; Miss Janice Stone; Mrs. Alice Burke, Whitehall sponsor; and Miss Delores Theis.

Seated around the picnic table are the guests of honor.

I promise to love, honor, and obey . . . and serve

Con Stabbed To Death In Violence Outburst At Terminal Isle Pen

SAN PEDRO, Calif. (INS) — A prisoner was stabbed to death Friday in a sudden outburst of violence at the federal correctional institution on Terminal Island, San Pedro.

The Federal Bureau of Investigation moved into the case immediately and questioned 12 prisoners who were near the spot where the victim's body was found.

Warden Preston G. Smith identified the dead man as Ted Sumpter, 29, who was serving 18 months on a federal car theft conviction and who would have been eligible for parole in September.

The warden said that Sumpter had been stabbed several times and his skull fractured, possibly with a hammer.

The victim's body was found in one of the prison shops when some inmates reported that "an accident had happened."

Smith said there were only a few prisoners in the shop at the time, but that 150 other inmates were being checked through a rear gate 75 feet from the shop.

"It is conceivable that any one of them could have done it," the warden said.

Sumpter was convicted in Gulfport, Miss., of taking a stolen car over state lines. He was transferred to the prison from federal prison at Texarkana, Tex., last June 10.

State Rail Board Rescinds Its Ruling On Sunday Trains

A State Railway Commission action permitting temporary discontinuance of Burlington Railroad Sunday trains between Lincoln and Alliance and between Lincoln and the Missouri-Nebraska state line near Rulo was rescinded Friday.

The Commission rescinded the action, which was to be effective July 15, after protests from Alliance and Broken Bow and the Western Nebraska United Chambers of Commerce.

On July 3 it had authorized the Burlington to temporarily drop Sunday trains 41 and 44 between Lincoln and Alliance and trains 41 and 42 between Lincoln and the state line.

The railroad's application for permission to drop the service remains on file and hearings are expected to be held before a decision is made, a commission spokesman said.

Celebrated Pair Off To Britain

Marilyn Monroe and her husband, Arthur Miller, leave her New York apartment for Idlewild Airport to enplane for London where Miss Monroe will costar with Sir Laurence Olivier in a film while Miller works on another play. Man at rear is unidentified. (AP Wirephoto.)

MILLER DECLARES HE AND MARILYN 'NEED SOME QUIET'

NEW YORK (AP) — Marilyn Monroe Miller and her playwright husband Arthur flew off to a London honeymoon Friday with 27 pieces of luggage.

"We both need some quiet and privacy," Miller said before they left for the airport. "Being married to a girl like Marilyn is like living in a fishbowl."

The Millers will live in a London suburb while Marilyn is making a movie with British actor Sir Laurence Olivier. Miller is revising his play "A View From the Bridge" for British production and also is working on a novel.

"So I think it'll be some time before we can think of having a family," he added.

Miller said he was leaving "without bitterness" about being cited for contempt by the House Un-American Activities Committee. He had refused to name persons with whom he attended a Communist meeting years ago.

Margie Claus Goes Home; Not Polio

Margie Claus, whose sister Mary Jane is confined to an iron lung with polio, has returned home from the hospital after it was determined Margie did not have polio, according to Morris Siegel, Lancaster County polio foundation chairman.

The girls are sisters of Jon Claus, who died recently of bulbar polio. They are the daughters of Mr. and Mrs. Fred Claus of 2349 O.

Retired Officer Dies

OMAHA (AP) — Charles Egger, 73, retired Omaha policeman, died Friday after a long illness. A lifelong Omaha resident, he joined the police force in 1921 and served 28 years. Survivors include his widow, a daughter, four sisters and a brother. Services will be Monday morning.

DOCTORS URGE WIDER USE OF POLIO VACCINE

A State Health Department official said physicians he visited this week in central and northern Nebraska advocate more publicity for the recent broadening in eligibility for vaccination against polio.

Al Rouse, director of the state vaccine program, said the physicians also urged that the public be reassured of the safety of vaccinations given in the summer.

Children under 20 are eligible. The previous age limit was 14.

If the "ample supply" of vaccine he found wherever he went is not used, Rouse said, there is danger that part of it might be re-allocated to another state.

Safety Council Lauds Lincoln's Traffic Record

The National Safety Council has presented two certificates of achievement to the City of Lincoln.

A certificate was given the Police Department in recognition of improvement in the city's traffic death record during 1955 over the average of the previous three years. Two persons died on Lincoln streets in 1955 as compared with five in 1952, two in 1953 and eight in 1954.

Eight persons have been killed in traffic mishaps so far in 1956. Lincoln's peak year was in 1937 when 18 persons were traffic fatalities.

The Lincoln Public Schools were also presented a certificate for their overall traffic safety program last year.

Here is a pleasant little game that will give you a message every day. It is a numerical puzzle designed to spell out your fortune. Count the letters in your first name. If the number of letters is 6 or more, subtract 4. If the number is less than 6, add three. The result is your key number. Start at the upper left-hand corner o fthe rectanngle and check every one of your key numbers, left to right. Then read the message the letters under the checked figures give you.

Yesterday's Answer

BAERING DOWN ON THE NEWS By Arthur 'Bugs' Baer

Hark to the benevolent clink of foreign aid in the 1956 international give-away program. With its feet on the handle-bars, the Senate voted $4,860,000,000 amicable pollen for the lilies that never bloom.

Distribution of the philanthropic moola will be calibrated by maritime neutrality. Nobody taps the piggy bank until he is 30 days at sea.

☆ ☆ ☆

It is strictly an overseas project with the Gulf Stream running deep fat. This is as impartial as playing table stakes with your noggin on a butcher's block.

☆ ☆ ☆

An additional $300,000 is ear-marked to survey the absorbent field of foreign mooching. Next February the committee will report the $300,000 is quacking with the other gone goslings.

☆ ☆ ☆

Don't skip-stop the memorandum that Stalin's pal Tito tapped us for a billion dollickers. That was when he was playing both ends against the middle like Liberace on a short piano.

☆ ☆ ☆

We're dishing up this subject to remind you that bread cast upon the waters ever comes back with the tide.

Cools Your Mouth

Mowbray, Backlund Tie For Title

Mowbray Needs Putt . . . Sinks It!

Meet For Golf Title Today

Bill Mowbray Jr. (left) and Merle Backlund, both of Lincoln, tied in regulation play over 72 holes in the Nebraska Men's Amateur Golf tournament at the Lincoln Country Club, and will meet in an 18-hole playoff today. The pair will tee off at 10 a.m. **(Star Photos by Webb Ray)**

Par-Shattering Pair To Meet In Playoff

By RON SPEER
Star Sports Staff Writer

Bill Mowbray Jr. climaxed 36 holes of brilliant golf by canning a five-foot putt on the final hole of the Nebraska Amateur golf tourney Friday to send the tourney into an all-Lincoln playoff for the state links crown.

Mowbray will battle Merle Backlund for the title over an 18-hole playoff tour this morning. The pair will tee off the Lincoln Country Club course at 10 a.m.

Ed Beeler, Omaha..........172-88—260
Hal Bowers, Lincoln ....173-91—264
Art Taylor, Omaha ....172-94—266
Ed Meisenholder, Lincoln.....186-88—274
L. H. Solomon, Omaha.......187-95—282

Both Mowbray and Backlund gave a somewhat listless golf tournament a shot in the arm Friday with sparkling third rounds. And both finished the rugged 72-hole medal play affair with scores of 287.

Backlund was first in and had his 287 safely tucked away when Mowbray came to the final hole. Mowbray was scrambling all the way and was one over. He needed a birdie to win and a par to tie.

Mowbray was on the green in two—but 20 feet out. He missed his chance for a birdie and the state title when he putted short. But he sank the tying putt to throw the tourney into overtime.

Both Mowbray and Backlund were far down entering the third round of play. Mowbray's 149 after two rounds of play trailed Defending Champion Bob Astleford's 142 by seven strokes.

Backlund, 25-year-old former Colorado U. golfing star, had a 147 after two rounds.

The youthful Colorado grad brought the first tingle of excitement to the large gathering at the Country Club when finished the first round with a 67—five under par.

The sparkling round shot Backlund into the lead by three strokes as Astleford faltered to a 75. Minutes later Mowbray showed up with a 66—six under—and trailed Backlund by only a stroke entering the final round.

Backlund looked like a walkaway for the title when he finished the ninth three under, but he faded to a 40 on the back nine.

Mowbray was one under entering the final nine, but slipped and finished the round with a par 72—one stroke better than Backlund and good enough for a tie.

Lincoln dominated the Championship flight. Besides Lincolnites Backlund and Mowbray, Dick Spangler Jr. fired a 75 on the final round to tie Astleford for third in the tourney with 293. Playoffs concern only the flight championship, however.

Biggest blowup of the tourney was Sam Spomer's third round. The veteran golfer was in second place entering the third round, only two strokes behind Astleford. But Spomer had tough luck on the greens—three-putting eight in his disastrous third round—and took a hope-ending 85.

Dale Wisbey, who plays his golf at Hillcrest Country Club in Lincoln, captured the LCC flight title. He banged out a 76 on the final round for a total of 317, one stroke better than Ed Krawczyk of Omaha.

G. W. Buck of Crete ran into trouble on the final round and took an 88 for a 54-hole total in the Senior division of 251. Hastings' Floyd Kroblem equalled the score and downed Buck on a one hole playoff for the title.

Omaha's Lou Dropinski was an easy winner in the Junior Senior Division with a total of 226.

ASTLEFORD . . . Defending champion ousted.

Chiefs Wallop Amarillo

. . . Daniels Wins 10th

By DON BRYANT
Sports Editor, The Star

Lincoln used all three basic baseball weapons—pitching, hitting and fielding—Friday night to whip the Amarillo Gold Sox, 9-2, at Sherman Field in the first of a four-game series.

Benny Daniels provided the pitching, limiting the Gold Sox to four singles — three in the fourth inning when Amarillo scored its two runs — as he coasted to his 10th straight win of the year.

Daniels has yet to taste defeat this season.

In the hitting department, Lincoln socked 11 hits—six for extra bases—off three Gold Sox pitchers.

Sam Miley was the offensive leader as he banged out a pair of doubles and a home run to drive in four runs. Reggie Grenald also homered for the league-leading Chiefs, now two and a half games in front of the second-place Texans.

And to make the evening complete, the Chiefs had a perfect night in the field.

Manager Larry Shepard, in an effort to plug a gap in the Chiefs defense at shortstop, inserted Johnny McDevitt there and the smiling redhead responded admirably.

In addition to handling several tough chances flawlessly, Mac initiated both of the Chiefs' double plays to kill potential Amarillo rallies.

Lincoln jumped to a 3-0 lead in the first inning and that was all the margin Daniels needed. But the Chiefs kept things humming throughout the evening.

Doubles by Miley and Bill Jackson, plus Kenny Toothman's single and a Gold Sox boot provided the first-inning clinchers.

Amarillo threatened in the fourth, scoring a pair on a fielder's choice, a single and Billy Shield's triple. That was as close as the Gold Sox were to get as the Chiefs exploded for a quartet of tallies in the fifth.

Marcus Cobos and Daniels opened the frame with singles and Miley cleared the sacks with a three-run homer over the right-centerfield wall. It was Sam's eighth roundtripper of the year.

One more came in during the drive when Toothman and Dick Stuart pulled a double steal and Grenald hit into a force play.

Back-to-back doubles by McDevitt and Miley added another in the sixth and Grenald's seventh-inning homer wound up the action.

The same two teams meet at Shermand Field again Saturday night at 8 p.m. Lefthander Don Rowe (9-4) will hurl for Lincoln against the Gold Sox' Mike Coen (6-7).

Rhubarbs Spice Cards' 7-5 Victory

ST. LOUIS (AP)—Alvin Dark doubled across the deciding runs with his fourth straight hit of the game and gave the St. Louis Cardinals a 7-5 verdict Friday night over the New York Giants, his erstwhile teammates.

Confused umpiring produced a 15-minute rhubarb in the fifth inning and both clubs played the game under protest.

The big blow by Dark, who came to the Cardinals in the trade that sent Red Schoendienst to New York, came in the eighth. Jackie Collum had singled and Don Blasingame, who also had four straight hits, was hit by a pitched ball. Chuck Harmon, running for Collum, and Blasingame advanced on a wild pitch before Hoyt Wilhelm yielded the double by Dark that scored them.

The Cardinals had rallied to tie the score in the seventh on singles by Blasingame, Dark, Stan Musial and Ken Boyer. It was Boyer's 100th hit of the season, making him the first National Leaguer to reach that mark.

The rhubarb started when, with Cardinals on first and second, Ken Boyer hit to left field. Third base umpire Art Gore signaled it a hit. Second base Umpire Shag Crawford signaled it an out. The ball was returned to the infield, and second baseman Red Schoendienst called for it, stepped on second for a force as two Cardinals stood at first; another at second base.

In a series of conferences thereafter, it was ruled a trapped ball and all the Cardinals could come back and load the bases, which led New York Manager Bill Rigney to protest. That ruling was modified to two out, and Cardinals on second and third. This made the Redbirds file notice of a protest.

New York had gotten off to a quick start with three runs in the first inning, including a one-on homer by Bill White, against Cardinal starter Murry Dickson. Johnny Antonelli started for New York and was driven out in the third as Don Blasingame tripled and Dark singled him home.

Braves Win 2; Regain NL Lead

MILWAUKEE (AP)—Joe Adcock's grand slam homer in the nightcap paced the Milwaukee attack Friday night as the Braves swept a twi-night doubleheader from the Brooklyn Dodgers on scores of 8-6 and 6-5 and moved back into first place in the National League.

The 8-6 victory in the first game restored the Braves to first as the Cincinnati Redlegs were defeated 6-4 by the Philadelphia Phillies. The second victory added to their margin. The Braves now lead by a full game and 16 percentage points.

The Braves have now taken three straight victories from the third-place Dodgers.

Adcock, who smacked a two-run homer in the opening game, came up with his grand slam in the sixth inning as the Braves trailed 4-1. The Braves then made their 5-4 margin stand up until the eighth inning when Jackie Robinson cracked his seventh homer of the season, a solo shot over the center field fence to tie the score.

Senators Snap Losing Streak

WASHINGTON (AP) — Washington splurged for five runs in the eighth inning to match Detroit's five runs in the same frame and edged the Tigers 12-11 Friday night.

The victory in a wild game snapped the Senators' five-game losing streak. Connie Grob, who threw only one ball in retiring Bill Tuttle on an attempted steal of home, emerged the winner among seven Washington pitchers.

Detroit used five pitchers, with Duke Maas being charged with the defeat. Both clubs obtained 13 hits, with Roy Sievers contributing a three-run homer for the Senators. It was his 18th of the season.

Detroit held an 11-7 lead entering the last of the eighth, but three straight hits off Steve Gromek, another off Maas, plus a hit batter, two errors and a sacrifice added to five runs.

The Senators got the winning run when Jose Valdivielso plopped down a squeeze bunt to score Sievers.

Swim Coach Named

INDIANAPOLIS (AP) — Stanley Tinkum, coach of the Walter Reed Swimming Club, Washington, D.C., was named Friday as swimming coach for the women's U. S. Olympic team for the games at Melbourne, Australia, this year.

Tinkum's appointment was announced by Ed Aspinall of Indianapolis, chairman of the American Women's Olympic Swimming Committee.

Phils Knock Reds From Top Perch

CINCINNATI (AP) — Philadelphia's Phillies hit two homers and nine other hits Friday night, defeating Cincinnati's Redlegs 6-4 and knocking the Reds out of the National League lead. The Reds got seven hits off Curt Simmons who went the distance for the Phils.

The Phillies capitalized on an error and three singles for their winning tally in the eighth.

Granny Hamner reached first when shortstop Roy McMillan muffed his grounder and went to third on a single by Ted Kazanski. Another single, by Simmons brought him home.

Philadelphia added another run in the ninth when Hamner belted a single that brought Del Ennis across from third.

Tom Acker, third Redleg pitcher, was the loser.

Who Caught Who?

WAHOO (AP) — Larry Eads, 13, got his fish all right — but it's a question whether he caught the fish or the fish caught him.

Larry spied a pound and a half carp in shallow water Thursday and grabbed it with his bare hands.

A fin penetrated his left palm and he had to hold the fish tightly with his right hand while the Wahoo Fire Department first aid cut the fin from the fish. Then a doctor cut the fin from Larry.

UCLA's Johnson Early Lead In Decathlon Trials

CRAWFORDSVILLE, Ind. (AP) — Rafer Lewis Johnson, UCLA giant who already holds the world decathlon record, piled up another world record total of 4,639 points Friday for the first half of the AAU National Decathlon which will determine the three U. S. Olympic decathlon contenders.

In spite of humid air and an occasional sprinkle, Johnson closed the first session of the two-day meet with a 400-meter dash in 47.9 seconds but only tied Notre Dame halfback Aubrey Lewis for the best time ever made at the distance in decathlon competition.

The old record was 48.3 seconds by J. W. Mashburn of Oklahoma A&M in 1953.

The 6-2½ Johnson, a 200-pound wedge of muscles, had a 98-point bulge over his first-half total in his 7,983 world record decathlon of last year.

He won the 100-meter dash Friday in 10.6 seconds, good for 1,080 points, and the broad jump at 23 feet 2½ inches, good for 808 points. He turned in the best shot put of his career at 49 feet 8¾ inches for 894 points, but Sam Adams, former University of California track captain, won the event at 53 feet ¾ inches.

Underdog Zulueta Whips Lightburn

NEW YORK (AP) — Orlando Zulueta, a 3-1 underdog, used a flicking left jab to pile up points for a surprise unanimous decision over Ludwig Lightburn of British Honduras in a 10-round match Friday night at Madsion Square Garden. Lightburn weikhed 138, Zulueta 136¼.

Zulueta, 28-year-old Cuban boxer, benefitted by the ruling of Referee Pete Scalzo who gave him the seventh round as a penalty for Lightburn's low blow. The ruling probably cost Lightburn a draw for it appeared at ringside that he would have won the seventh if not penalized.

Hartack Will Ride Fabius At Arlington

CHICAGO (AP) — Preakness winner Fabius, with America's hottest jockey astride, is favored to conquer seven—or possibly eight—rivals in today's $100,000 added Arlington Classic.

The Calumet Farm ace will be piloted in the rich mile chase for 3-year-olds by Bill Hartack, the riding sensation of the current Arlington Park season.

Fabius, who finished second to Needles in the Kentucky Derby and was third in the Belmont, chiefly must outrun Swoon's Son, unbeaten in four 1956 starts and twice a winner over Fabius last year.

However, other notable contenders in the Classic, which will gross $159,325 if all nine start and net the winner $103,000, include C. V. Whitney's Head Man and Claiborne Farm's fast filly, Doubledogdare.

Doubledogdare, in at light weight of 112 pounds, was a $7,500 supplemental entry and thus would collect a lesser winning purse, $95,825.

The field also includes Walmac Farm's The Warrior; G. M. Stable's Ben A. Jones; Reverie Knoll Farm's Royal Sting; and Mrs. Ada L. Rice's Flight History; with a possible ninth starter, if the track is muddy, in another Calumet colt, Liberty Sun.

Whips Wimbledon Champ

Michael Davies, playing precision tennis, defeated Lew Hoad, new Wimbledon champion, in the semifinals Friday of the Midland Counties Tennis Championship at Birmingham, England. The 20-year-old Welsh Davis Cup player turned the trick with a 6-3, 4-6, 6-4 score. (AP Wirephoto.)

Piersall Sparkles In 5-4 Win

BOSTON (AP) — Jim Piersall proved the man of the moment for the second time in as many games Friday when he drove home the winning run as the Boston Red Sox whipped the Chicago White Sox 5-4.

Thursday night Piersall walloped a ninth-inning, two-run homer for a 3-1 Boston triumph over these same Chicagoans.

Piersall's game-winning hit, a Texas Leaguer into right, capped a two-run rally after two were out in the eighth inning.

The Bostonians literally had given the White Sox their first run in the opening inning as the infield made three errors on as many chances, allowing Chicago to tally without benefit of a hit.

Losing righthander Jim Wilson, who blanked the Red Sox 8-0 here June 9th, had a no-hitter going until Sammy White scratched a harmless, two-out single in the fifth.

George Myatt, Chicago's third-base coach, was chased to the showers in the ninth by Umpire Bill Summers after refusing to stay in the coaching box or beyond the box, in line with its dimensions.

In the eighth inning Summers, umpiring at first, had allowed Boston Coach Del Baker to remain out of the box, but beyond it toward right field after Chicago had protested Baker's position.

Safe At Third

Sam Esposito, Chicago White Sox third baseman, slides safely into third ahead of a throw from Ted Williams, Red Sox leftfielder, in the fourth inning of their game today. Sox third sacker Billy Klaus trys to catch Esposito, who ran from first on a single to left by Jim Rivera, White Sox rightfielder. Umpire John Flaherty calls the play. (AP Wirephoto.)

Sturdivant Limits Indians To 2 Hits; Yanks Win, 10-0

NEW YORK (AP) — Young Tom Sturdivant breezed to his eighth victory with a two-hitter and Bill Skowron batted in four runs with a single and a home run as the New York Yankees walloped the Cleveland Indians 10-0 Friday night. It was the seventh straight success for the Bombers and hiked their bulging American League lead to 8½ games.

A five-run seventh inning, in which the Yankees swatted a double and six singles while sending 11 men to the plate, put the game well beyond reach of the third-place tribe and guaranteed Early Wynn's fifth defeat in 15 decisions.

It was only the second complete game for Sturdivant, a 26-year-old righthander, in his short major league career. His first was a 3-1, two-hit decision over Cleveland June 16. It also was his first shutout since coming to the majors in 1955.

The youngster, considered a reliefer by Yankee Manager Casey Stengel until last month, was making only his fifth start in 17 appearances and his first since June 27.

Ward played first for the Indians in place of Vic Wertz, injured in yesterday's game.

A's Edge Orioles

BALTIMORE (AP) — Lou Skizas hit his first major-league homer, with a teammate aboard, to provide Alex Kellner with his seventh victory of the year as the Kansas City Athletics edged Baltimore 3-2 before 7,471 fans Friday night.

A fielding error by Gus Triandos, Bird first baseman, put Al Pilarcik, A's center fielder on base when Skizas lofted one of Connie Johnson's pitches into the left-field seats.

Triandos let Johnson's peg sail by him, his miscue enabling Hector Lopez to trot home with the first of three runs after Lopez had opened the game with a double.

The Orioles punched out their pair of scores on homers by Dick Williams, in the bottom of the first, and Kell, in the eighth.

They threatened again in the ninth when Hoot Evers and pinch-hitter Bob Hale singled, the latter with two away, but Kellner induced Williams to ground out to end the struggle.

It was the A's third victory in 13 clashes with Baltimore as Kellner boosted his record to 7-3 by spacing 10 hits.

Runs Scarce As Optimists Win 3-1

Runs and hits were at a premium Friday night as the Lincoln Optimists won the "rubber" game of their three game series at Central City.

Lincoln drew first blood in this tight contest when Chastain walked in the top of the third, stole second, advanced to third on an infield out, and then proceeded to steal home.

The Optimists scored what later proved to be the winning run in the top of the fourth without a hit as Jimmy Fox was safe on a fielder's choice, stole second, and came around on a passed ball and an infield out.

Central City tallied their lone run in the bottom of the fourth when McHargue walked, went to second on Larsen's single, and scored on a fielder's choice and the lone Lincoln error.

Jan Wall scored an insurance run for Lincoln in the top of the eighth when he evaded the catcher's tag in a rundown between third and home.

Duane Steffen avenged his only defeat of the season as he fanned 16 Central City batsmen and yielded a meager sum of 4 hits while picking up his fourth win of the year. His teammates aided his cause with a pair of sparkling double plays.

Central City's Larsen was also stingy with the base hits and he struck out 11 but his wildness cost him the game.

6 Challengers Face Swaps In Handicap

By BOB MYERS

INGLEWOOD, Calif. (AP) Swaps, who has broken three world records and tied another this year, will face six challengers in the $100,000 Hollywood Gold Cup Handicap today.

Swaps now holds world marks for a mile, a mile and 70 yards, a mile and one-sixteenth and is co-holder at a mile and one-eighth.

The Gold Cup, with its guaranteed $100,000 net to the winner, is his first run at a mile and one-quarter this year, a classic distance where the record is 1:53 1-5, established in 1950 at Golden Gate Field by the Irish wonder, Noor.

Main Challenge

Main challenge to Swaps probably will come from Mrs. Elizabeth Lunn's entry of Porterhouse, who handed Swaps his lone loss in six races this year, and Mister Gus. The latter chased the 4-year-old Swaps to record fame in his last two trips at Hollywood Park.

Travis M. Kerr's Bobby Brocato, who has also done his share of chasing Swaps, is another contender. Three distinct long shots, Honeys Alibi, Beau Busher and Blue Volt, round out the field.

If all seven start, the Gold Cup will be worth a gross $162,100. The winner actually gets a check for $102,100, the $2,100 representing repayment of fees for nominating, entering and starting. Second, third and fourth places are worth $30,000, $20,000 and $10,000.

High Impost

Swaps' 130-pound impost is high, and includes his ace rider, Willie Shoemaker.

Porterhouse goes at 119. Veteran jockey Jackie Westrope is being flown out to handle him.

Jockey Milo Valenzuela, who rode Porterhouse to a head triumph over Swaps when Shoemaker eased up on the leader in the Californian Handicap May 26, shifts over to Mister Gus. The weight is 117 for Mister Gus.

Madison Entries

First race, 3 and up, claiming purse $500, five furlongs.
Nicky D 113 Jade Comet 113

Triple Play Highlights Lexington's 12-4 Win

LEXINGTON (AP)—A peculiar triple play enlivened Lexington's 12-4 win over Superior in the Nebraska State League Friday night. Lexington had men on second and third when the batter hit to the second baseman and was thrown out at first. The first baseman then tagged a runner caught between third and the plate and finally nipped the runner trying to go from second to third with a snap toss to the third baseman.

Cubs Power Past Pirates

CHICAGO (AP)— Shortstop Ernie Banks tied a major league record by playing his 394th consecutive game since breaking in as a rookie in 1953 and used a seventh-inning single to power the Chicago Cubs to a 7-6 victory over Pittsburgh here Friday.

Banks' first-pitch single off Bob Friend scored tripling Dee Fondy with a deciding run.

The Cub shortstop tied a record set by the late Al Simmons, then of the American League Philadelphia Athletics.

The Cubs pounded Friend, who won last Tuesday's All-Star game, for 15 hits during Bob's seven-inning tenure and saddled him with his eighth loss.

It was also Friend's fifth straight setback since posting his 11th triumph June 16 against St. Louis at Pittsburgh.

Track New Sport

OMAHA (AP)—For the first time in more than a decade Creighton University will field a track team next spring.

Bill Fitch, former Coe College athlete from Cedar Rapids, Ia., will coach the team, the Very Rev. Carl M. Reinert, S. J., Creighton president, said.

Southerners Meet For Publinks Title

SAN FANCISCO (AP) — Two sharpshooting southerners, both natives of Memphis, Tenn., Friday won their way to the finals of the National Public Links Golf Tournament.

Bill Scarbrough, 32, now a petty officer with the Navy at Jacksonville, Fla., defeated San Francisco fireman Ovid Seyler, 6 up with five holes to go in one semifinal match.

In the other, a close affair, Junie Buxbaum, a 128-pound swinger and a businessman in Memphis, turned back Jimmy Wilbert of South San Francisco, 2 and 1, in their 36-hole match.

Unlucky Day Doesn't Worry Lincoln Racers

Although it was Friday the 13th and there were 13 cars racing in the Micro Midget Auto Races Friday night, no one was injured despite several accidents.

The results.

Trophy Dash—Won by Allen Henriksen; 2—Cldye Franklin; 3—Sam Giebehaus.

Yields 'Excellent' As Wheat Harvest Gets Underway In West Portion

By THE ASSOCIATED PRESS

Combines rolled across western Nebraska fields Friday, cutting wheat which observers said was better than expected in most areas.

Initial reports in the Kimball area indicated the best harvest in recent years. Yields were running all the way from 15 to 35 bushels to the acre.

Kimball elevator men estimated the average among early fields cut as between 17 and 20 bushels per acre. Test weights have been between 58 and 60 pound per bushel and the protein content was described as good.

The harvest was in full stride on some 52,000 acres and 260 farms in Box Butte County, where cutting is about 10 days ahead of normal. County Agent John R. Reynolds, generally optimistic over the results, termed the general harvest "excellent."

All-Time High

A new all-time high protein-content record for Box Butte County was established by Carl Freimuth, who farms 15 miles north of Alliance. He had wheat at the Hagemeister Elevator in Hemingford which tested 18 per cent protein on 61-pound-per bushel wheat.

The figure topped any posted during the previous 32 years of record keeping by the Box Butte County Experimental Farm. The previous high content was 17 per cent protein on 61-pound-wheat by Bob Schefcik in 1954.

Yields in Box Butte County have been running from 12 to 45 bushels per acre, with a moisture content of 9 to 14 per cent. The protein content generally is running from 10 to 18 per cent and the test weight from 58 to 64 pounds per bushel.

Dawes County's harvest was in full swing, with much of the crop in the Chadron area already in the bin. A spot check indicated that the crop, although off from last year, is considered "pretty fair." Yields have run from seven to 40 bushels per acre.

Harvest in the North Platte area had passed the midway mark and combines were moving north. Ogallala was nearing the half-way mark in its harvest operations, and around Paxton, observers estimated the crop was nearly all in.

In the Octavia area, J. J. Papa reported one of the top yields, 57½ bushels per acre. Papa irrigated the land last fall, and then set out Pawnee wheat. Yields in the county as a whole showed considerable storm and drought damage, ranging upwards from 10 bushels per acre.

Pistol-Toter Says 'Evil Man' Causes TV Interference

SPEKE, England (AP) — Jack Pugh couldn't see his TV screen —so he took a pistol and shot his neighbor, the neighbor's wife, and their TV set, police charged Friday. Pugh, 50, was held on a charge of attempting to murder Mr. and Mrs. Ronald Morrison.

"I acted under great provocation," police quoted him as saying in a statement. "He (Morrison) is an evil man."

Police said Pugh had complained about a faulty switch in the Morrison's house which interfered with his radio and TV set.

"At 9:30 p.m., said Prosecutor E. V. Renshaw, "he armed himself with a .38 revolver and went round to the Morrison's home in an irate mood."

He got no answer from the Morrisons—who were watching their own TV—so he fired four bullets through the front window, wounding Mr. and Mrs. Morrison and hitting their TV set.

Barr Appointed

WASHINGTON (AP) — Postmaster General Summerfield Friday announced the appointment of Frank E. Barr, 64, Wichita, Kan., as regional postoffice director at Wichita, supervising service in Kansas, Oklahoma and Nebraska.

56,319 Valid Ton-Mile Signatures

... Qualifies For Vote

Completion of the check Friday showed 56,319 valid signatures on petitions calling for a vote in November on a proposed ton-mile tax law.

Deputy Secretary of State Roland Luedtke said 70 counties qualified under the provision that in at least two-fifths of the counties the number of signers must be equivalent to five per cent of the vote for governor at the last election.

Under the two-fifths provision, only 38 counties must qualify, Luedtke explained.

70 Counties Qualify

The number of valid signatures found in the 70 counties qualifying under the five per cent provision was 54,276. An additional 2,043 valid signatures were counted in the 23 counties which did not qualify under the five per cent provision.

The total number of valid signatures required to put an initiative act on the ballot this year was 29,039.

The proposed act will be printed once in full in every newspaper in the state, as provided by law, Luedtke said. Publication will be next month.

Proposed constitutional amendments will be next month.

Five constitutional amendments proposed by the 1955 Legislature will be published in October. They must be published in one newspaper in each county for three consecutive weeks.

Not Too Hot, But Power Use Record

COLUMBUS, Neb. (AP) — A new all-time high peak demand for electricity of 336,400 kilowatts was recorded by the Nebraska Public Power System between 11 a.m. and noon Friday.

The previous high demand was 333,004 kilowatts recorded Aug. 5, 1955.

The NPPS system has a total capability of 370,000 kilowatts and can purchase power from other utilities this season, if demands exceed its own capabilities.

NPPS officials said the demand apparently resulted largely from air conditioning uses, since pump irrigation over the state is not as heavy as it was at this time last year because of recent heavy rains.

They called attention to the fact that his new peak demand was registered at a time when no point in the state recorded more than 90 degree temperatures.

Certified Sorghum Applications Due July 15—Porter

Nebraska certifide seed growers are reminded that all certified sorghum applications are due July 15.

C. R. Porter, secretary-manager of the Nebraska Crop Improvement Association, said seed growers who plan to certify their sorghum seed fields this year should send in applications for certification immediately.

Applications must reach the state Crop Improvement office in Lincoln not later than July 20. Application blanks can be obtained from county extension offices.

Porter explained that applications are requested earlier this year so the crop can be inspected at an earlier date. Applications for sorghum certification cannot be accepted after fields have headed and pollinated since fields must be checked by field inspectors before that time.

Applications are due Aug 1. for the certification of soybeans, third crop alfalfa seed, switch grass, sand love grass, lespedeza, and sudan grass.

Paint Store Burglarized Second Time In Week

The second burglary in less than a week at the Color Mart paint store, 1425 South, was reported to police Friday by manager Ralph Staats.

Staats said someone entered the store Thursday night or early Friday morning through a roof ventilator and took 50 cents from a cash register. He said an unsuccessful attempt was made to pry open the locked safe.

Staats earlier had reported the theft of $271.25 from the safe over last weekend. On that occasion he said the safe may have been unlocked.

Cab Firm Files Brief

Counsel for the Ritz Cab Company, Omaha, filed a brief in the Supreme Court Friday contending that $15,000 damages awarded Simmie Gibson for injuries allegedly received in an accident in September, 1954, were excessive. The case came up on appeal from Douglas District Court.

Youths Get Recognition From Kiwanis

Kiwanis Club presented certificates to eight students for "outstanding achievement" and "leadership", at a luncheon Friday. Awards are annually given to two from each of the public high schools and to one or two Boy Scouts. Receiving their awards are (from left) Charles Wilson, Lincoln High, scholarship and student activities; Barbara Bible, Lincoln High, journalism; Richard Tempero, Boy Scout, leadership; Gene LaRue, Northeast, scholarship, music and sports; Douglas Kent, Boy Scout, leadership; John H. Graf of the Kiwanis Club; Betti Ogburn, Northeast, scholarship and scholastic activities, and Donna Terpsma, Southeast, scholarship. Jeffrey Cheuvront, who was given an award for scholarship and sports from Southeast High, was unable to attend. (Star Photo.)

Atty. General Asked If 12 Polls Legal

An attorney general's opinion will be requested on whether or not the city can conduct an election with the use of only 12 polling places instead of the normal of 104.

Harold Gillett, election commissioner, said the 12 polling places would be used in the proposed special election on changing the legal ad rates paid by the city.

Reducing the number of polling spots would reduce the cost of a special election, normally about $7,500. With the use of the lower number of voting places, the cost would be around $2,500.

Gillett reported Friday he felt the Election Commission had the power to designate the number of voting places, but was checking with the attorney general to be on the safe side.

Law Made In 1886

The opinion request followed informal City Council action in deciding on a special election as the only means of changing the ad rate statutes. The laws, considered outmoded, have been in effect since 1886.

City Attorney Jack Pace said changing the amendments in effect would result in a saving to the city and taxpayers because the number of publications also would be reduced.

A resolution calling for the special election is expected to be formally presented to the Council Monday and is expected to pass with no dissents.

Ex-Grain Dealer Faces 4 Counts In Federal Court

OMAHA (AP) — F. R. Miller, 65, Lafayette, Ind., former Omaha grain dealer, agreed Friday to go direct to the Federal District Court on four counts of willful income tax evasion and filing fraudulent returns.

Miller, who appeared before U. S. Commissioner A. Z. Donato, was president of the Miller Feed Mills Inc., when the alleged violations occurred in 1950 and 1951, the government said. He posted $1,000 bond.

The government charged Miller paid $1,649.32 in business taxes in 1950 when he owed $4,756.71, and $1,840.67 in personal taxes, when he owed $5,609.90. In 1951, the government charged, he paid $11,938.10 in business taxes, when he owed $18,764.14, and he paid $1,640.55 in personal taxes, when he owned $6,451.05.

Chadron Teacher Yarndley, 84, Dies

CHADRON, Neb. (AP) — Richard Yarndley, 84, Chadron State Teachers College professor emeritus, died Friday after having been hospitalized since last June 20.

He had been found nearly suffocated in a burning house. He was a writer of musical articles.

Boost OKd

WASHINGTON (INS) — The House Friday approved a bill increasing the maximum compensation for disabled longshoremen and harbor workers from 35 dollars a week to 54.

The bill also would boost the minimum weekly rate from 12 dollars to 18. The new rates apply also to dependents of deceased workers.

3 Lincolnites Join Local CD Staff

Three Lincoln men have been appointed to the City-County Civil Defense staff on a volunteer basis by the advisory board.

They are Gene Eno of 1801 Stockwell as deputy operations officer; Robert Kinsey of 5813 Randolph as rescue officers, and Robert Means of 502 So. 12th as deputy rescue officer.

Eno, who will supervise the training of all CD personnel, has had extensive military experience and recently returned from active duty.

Kinsey, 26, recently returned from active duty with the Air Force, will be assisted by Means, who has also had military experience.

Eastborough Pool Opening Sunday

Two diving champions will present an exhibition at the informal opening Sunday of the Eastborough swimming pool.

They are Gene Cotter, Big Seven Diving champion from the University of Nebraska, and Jim Frank, who holds the City Championship and the Mid-East Conference title. He is from Southeast High School.

Sunday will be the first day the pool will be open, but no formal dedication or opening is planned, according to Reg Davies, chairman of the Board of Directors.

John Reta, swimming coach at Southeast High, will be the lifeguard.

'Monopoly' In Wheat Complaints Heeded

WASHINGTON (AP)—The Eisenhower administration announced Friday night it will give farmers and private traders a bigger share of the wheat export business.

The move followed complaints that the administration's present policies were tending toward "state monopoly" because exports have largely consisted of government-owned surplus wheat.

Hereafter, the Agriculture Department said, privately-owned supplies of the grain will be given a much larger share of export markets.

This action had been proposed some time ago by the grain trade and came a few hours after the leader of the National Grange had charged that administration wheat export policies were moving toward "a state monopoly" that threatened ruin to the private marketing system.

Herschel D. Newsom, master of the Grange, said in a letter to Assistant Secretary of Agriculture Marvin L. McLain that the government, by pushing its wheat into export markets, had become a competitor or farmers and traders.

In a formal announcement, the department said that beginning Sept. 4, it will discontinue sales of its wheats to exporters at cut rate prices for shipment abroad.

Exporters will then have to turn to supplies held by farmers and other private owners. But the department will continue to offer export subsidies to enable shippers to compete with lower prices in world markets. U.S. prices are being supported above world levels by a farm price support program.

Say It Right

Stock Mart Bounces Back From Decline

NEW YORK (AP)—Coppers, steels and selected issues paced the stock market to a smart recovery Friday from Thursday's mild decline.

On average, the market more than made up Thursday's drop, the only one of the week.

Pivotal stocks closed higher by fractions to around $4.

Coppers, which rose even in Thursday's decline, extended their gains solidly Friday as more stable price conditions seemed in prospect for the industry.

The steels advanced as negotiations resumed but the strike situation still remained deadlocked.

The market was irregular at the start with very narrow price changes. By the end of the first hour the trend was upward and it was never reversed. The larger gains were made in the afternoon.

Trading still remained fairly quiet, however, at 2,020,000 shares compared with 2,180,000 Thursday.

The Associated Press average of 60 stocks rose $1.30 to $187.80 with the industrials up $2.40, the rails 70 cents and the utilities 30 cents.

In the American Stock Exchange oils were heavily traded in a mixed market, boosting volume to 1,610,000, highest since March 26, compared with 940,000 Thursday.

BOND MARKET

NEW YORK (AP)—Investment quality corporates moved ahead to lead the bond market higher Friday in quiet trading. Rails, industrials and utilities were steady with foreign dollar bonds narrowly higher.

U. S. Treasury Bonds were higher on balance, although long range issues were soft. Over-the-counter trading was quiet.

The government 2½s of 1963 and the victory 2½s of December, 1972-67, advanced 2/32 each at 96 22/32 and 94 10/32 bid, respectively. The 30-year 3¼s were unchanged at 103 28/32 while the 40-year 3s gave up 2/32 at 99 4/32 bid.

OMAHA FEEDS AND HAY

Alfalfa meal: New crop 17 per cent dehydrated, no vitamin A guarantee, 44c; 50-lb. paper bags.

Wheat feeds: Bran 41c; shorts 48c.

Feeding tankage; 60 per cent protein, 85c; meat scraps, 50 per cent protein, 90c; special bonemeal 86c.

Soybean meal: 44-44 per cent protein, 78c; pellets, $2.25 more.

Oats feed: Steamrolled, 85c; pulverized unhulled, 52@53c.

Linseed oil meal: 34 per cent protein, old process, 81; 36 per cent protein solvent, 72c.

Cottonseed meal: 75c.

Buttermilk: Dry, 14.75 cwt.; condensed $3.35 cwt.

Upland Prairie: No. 1, 25-26. No. 2, 24-25; No. 3, 20-23; sample grade, 15-18.

Alfalfa: No. 1, 23-24; Standard 21-22; No. 2, 20-21; No. 3, 19-20; sample 12-17.

Pork Prices Show Decline; Cattle Steady

OMAHA (AP)—Hog prices dropped 25 to 50 cents on the Omaha market Friday. Cattle prices showed little change in a cleanup market. The tone on fat lambs was firm.

OMAHA

Hogs: Salable Friday 4,000; butchers and sows 25 to 50 lower; mixed lots U.S. No. 1, 2 and 3 grades 180 to 240 lb. butchers 16.25@16.50; with mixed 1 and 2 16.75@17.00; around 200 head 17.00; sows 270 to 400 lbs., 12.75@15.25; weights 400 to 550 lbs., 11.50@13.00.

Cattle: Salable 500; calves 25; generally steady on most slaughter classes and stockers and feeders; receipts include five loads good and choice around 1,200 lb. fed steers bought to arrive at $18.00@21.00; few utility and commercial cows, $10.75@12.25; canners and cutters mostly 9.25@10.50.

Sheep: Salable 200; spring slaughter lambs fully steady; choice and prime spring slaughter lambs 22.50@23.00; cull to good shorn slaughter ewes quotable from 3.00@4.25.

CHICAGO

CHICAGO (AP) — In a slow moving market butcher hogs and sows dropped 25 to 50 cents Friday. Salable receipts totaled 6,000.

Buyers paid $16.00 to $16.50 for most 190 to 360 pound butchers, reaching to $16.75 for a few lots and to $17.00, the top, for 30 head. Butchers scaling 270 to 300 pounds brought $15.25 to $16.00. Sows sold from $11.25 to $14.75.

Cows comprised the bulk of the 500 head placed on sale in the cattle section. Steady to strong prices prevailed. A few standard grades sold up to $13.50, utility and commercial brought $10.50 to $13.00 and canners and cutters went at $9.50 to $11.50.

Steers and heifers were called nominally steady. A few good and choice steers and mixed yearlings and heifers sold at $18.00 to $21.00. Bulls were weak at $14.00 to $16.00 for utility and commercial.

Salable sheep receipts totaled 300. Spring lambs held steady at $20.00 to $23.25 for good to prime types.

Hogs: Salable 6,000; slow; generally 25 to 50 lower on butchers and sows; most No. 1 to 3, 190-260 lb. butchers $16.00@16.50; larger lots sows 325-400 lbs., $13.00@14.75.

Cattle: Salable 500; salable calves 200; receipts principally cows; not enough steers or heifers offered to test prices; cows active strong; bulls weak; vealers mostly steady; few good and choice steers mixed yearlings and heifers $18.00@21.00; utility and commercial cows $10.50@13.00; few utility and commercial bulls $14.00@16.00; good and choice vealers $20.00@23.00.

Sheep: Salable 300; spring lambs, yearlings and sheep steady; good to prime spring lambs $20.00@23.25.

SIOUX CITY

Hogs: 3,500; barrows and gilts 25 to mostly 50 lower; sows steady 25-50 lower; mixed grade U.S. No 1, 2 and 3 190-250 lbs barrows and gilts 16.00-16.50; 1 and 2 grades 210-225 lbs 16.65-16.75; 170-190 lbs 14.00-16.25; some No 3 grades around 270 lbs 15.75; sows 12.25-15.25.

Cattle: 500; calves none; salable supply limited to cows; sold generally steady; utility and commercial 10.50-12.00; canners and cutters 9.50-10.50.

KANSAS CITY

Hogs: 2,000; slow; barrows and gilts 25-50 lower than Thursday's average; most mixed lots U.S. No 1-3 190-250 lbs 16.00-16.50; around 80 head No 1-2 210-220 lbs 16.65; sows around 25 lower; 500 lbs down 11.25-14.50.

Cattle: 600; calves 100.

Sheep: 200.

ST. JOSEPH

Cattle: 350; calves 50; not established.

Hogs: 3,500; butchers 25-50 lower, mixed U.S. 1-3 190-260 lbs 16.00-16.75; sows weak to 50 or more lower, all weights 10.75-15.25.

Sheep: 500; not established.

Rye Shows Sharp Gain; Wheat Is Up

CHICAGO (AP)—Wheat and rye moved up on the board of trade Friday rye particularly showing sharp gains.

The rest of the market was mostly lower, although July and September oats also posted gains. They both sold at new seasonal highs. July soybeans continued to retreat under liquidation while July corn, strong earlier this week, suffered a technical setback.

New crop corn and soybeans eased as additional moisture was received in the midwest and more was forecast.

Wheat closed 2⅛-2⅝ higher, corn ⅛-1¼ lower, oats ⅜ lower to ⅞ higher, rye 3¼ to 5 cents higher, soybeans 3¼ lower to 1½ higher and lard 5 cents lower to 15 cents a hundred pounds higher.

LINCOLN GRAIN

Friday, July 13

Wheat: No. 1, $1.92.
Corn: No. 2 yellow, $1.47; No. 2 white, $1.50.

Films, Textbooks On Same Plane, Speaker Says

Films as a teaching tool are accepted nearly everywhere on the same plane as the textbook, the president of the largest organization in the classroom films field said here Friday.

Each makes a unique contribution to teaching and neither presumes to supplant teacher or parent, Maurice B. Mitchell of Encyclopedia Britannica Films, Inc., told a University of Nebraska summer session audience.

No End Seen For Concrete Firms Strike

Lincoln's strike of concrete-truck drivers entered its 24 day Saturday with no settlement in sight.

Dale Peate, spokesman for AFL-CIO Teamsters Local 659, said he had received an unconfirmed report that a National Labor Relations Board official may be in Lincoln Monday to look at the strike.

Peate said Harold Hudson, NLRB official from Kansas City who was here earlier this week, may return by July 18th but will be back for sure July 25th.

Hudson was sent to Lincoln by the NLRB as a result of a management petition requesting an election by the strikers to see if Local 659 actually represents them as it claims to do. He could not be reached for comment and was reportedly on his way to Ogallala on other business.

Peate said "unless the lawyers of both sides come up with something," there is little likelihood of a settlement before Hudson returns.

No Action

Hudson has talked to both company and union lawyers, Peate said, in an attempt to reach some settlement in the walkout, but "no definite action is planned for the present to my knowledge."

Richard W. Smith, lawyer for the two concrete firms, Reimers-Kaufman and Ready Mixed, against which the strike is being held, said there was "nothing new" on the walkout.

Gene Tallman, management spokesman, was also unavailable for comment.

Meanwhile, an official for Olson Construction Co. reported that the strike had caused no slowdown in work on the new city auditorium. He said that for the first days of the walkout there was some "uncertainty," but that work went on "as usual."

Meet Star Carrier Charles Valda Jr.

The Star carrier - salesman at Milligan, Neb., Charles Valda Jr., has worked hard building up his route and always has a big smile because, he says, "anyone who is making a good profit in a business should be happy."

Valda

Charles started the delivery of papers on his route on foot nine months ago. After saving his profits for about six months, he now is giving extra-fine service on a new bicycle.

His bank account is growing again because he is putting almost 100 per cent of his profits into it.

At school he likes history, but basketball holds his interest the most. His route profits came in handy because he was able to buy a basketball so he can get in a little practice at home this summer.

Charles plans to try out for football when it is introduced as a new school activity at Milligan this fall.

Last year he spent his vacation in California and Colorado but this year he is staying at home and fishing for bullheads and carp in Turkey Creek and the Blue River.

His prize catch this summer was a two and a half pound gold fish out of the Blue River.

Charles' parents are happy with the business education he is receiving from his paper route. He knew everyone in town before, but his route has enabled him to meet them all over again on a business level.

Brainard Farm Sells For $300 Per Acre

BRAINARD, Neb. (AP)—Frank E. Dus, who lives three miles west of Brainard, has sold his 80-acre farm to John Vrbka of Brainard for $300 per acre. The farm has been in the Dus family for 50 years.

Ike's Aid Request Bolstered

WASHINGTON (AP) — The Senate Appropriations Committee, in a significant victory for President Eisenhower, voted Friday to add almost 700 million dollars to the foreign aid program.

It approved a bill which would make available $4,346,220,000 in old and new funds for foreign aid during the fiscal year which began July 1.

This is $680,300,000 more than is carried in an appropriations bill passed by the House last Wednesday—and very close to the figure Eisenhower said he would settle for.

The vote in committee was 13-8, with Democratic Sens. Russell (Ga), Chavez (NM), Ellender (La), Hill (Ala), McClellan (Ark) and Stennis (Miss) joining Republican Sens. McCarthy (Wis) and Dworshak (Idaho) in opposition to the higher figure. Eight Republicans and five Democrats voted for it.

Up To Ike

Chairman Hayden (D-Ariz) reported the committee beat back fresh efforts to halt aid to Communist Yugoslavia and left the Yugoslav decision up to the President.

The foreign aid fight isn't finished yet, however. There will be another battle on the Senate floor next week, when the appropriations measure comes up from the committee.

But the prospects of Eisenhower getting more money for his mutual security program this year appeared to be brightening.

House leaders, hearing of the Senate committee's action, predicted that the House and Senate would finally compromise on an appropriation of at least $3,700,000,000.

While this would be somewhat more than the House voted Wednesday, it would fall approximately $1,300,000,000 short of what the President asked for when he presented his program to Congress in the spring.

Falls City Youth Seeks Damages

James B. Chapman of Falls City, a minor, has filed through his mother a $150,000 personal injury suit in U. S. District Court against Ronald and Sterling Wittwer, Minnesota residents doing soil conservation work as Wittwer Bros.

Chapman, who was stationed at Fort Riley, Kan., alleges he was injured April 25 when a car in which he was a passenger guest collided with the defendants' truck near Humboldt.

The plaintiff alleges the defendants permitted their truck to be parked "in the middle of a county road" unattended and without warning flares or signals at night.

Onions Cause New Weeping—Price High

Lincoln housewives are finding something new about onions to make them weep—the price.

Although the price of onions is traditionally low, local grocers report that they are paying from $4.50 to $5.00 for a 50-pound bag, with white onions slightly higher than yellows.

A year ago grocers were paying approximately $1.85 for a bag of whites and $1.70 for yellows. One grocer recalls paying $1.00 a few years ago.

The rise in prices is attributed to heavy rain damage to the early onion crops in Texas, a major source for local markets.

However, grocers term it a "seasonal" rise, and the price, they say, should level off as more late season onions will be coming in within a few weeks from Idaho.

Other state cities were experiencing the same price conditions.

Actor Divorced

HOLLYWOOD (INS) — Actress Shirley Smith Gallo, 25, who won acclaim in the New York stage play "Picnic," divorced television actor Mario Gallo, 33, on grounds he had threatened her life.

The attractive brunette claimed her husband drank to excess and constantly abused her.

She declined any alimony or other... they had divided their community property. They had no children.

21 More Dams

Another big step toward controlling floods and soil erosion in the Salt-Wahoo Watershed was taken this week when a $3 million project northwest of Lincoln was given the go-ahead signal.

Details of work to begin at once in the Oak-Middle Creek area will be explained and mapped in the

Sunday, July 15th

Referee's Sale
Grain and Stock Farm
Half Section
TUESDAY, JULY 17, 1956
at 2 p.m.
at the Court House in
Hastings, Nebraska

I will sell at public auction the Gallagher farm, consisting of about 320 acres, to the highest bidder. The farm is located seven miles south of Hastings and one mile west of the Oregon Trail Marker, or one mile east and three miles north of Ayr. farm is described as NE¼ of section 22-6-10 and NW¼ of section 23-6-10, less r.r. right of way.

Ray Hoffman, present tenant, is farming the land under a lease expiring March 1, 1957. Crop rental ⅓ delivered on the market. Crops now growing on the land: 58 acres of corn, 32 acres of alfalfa, 28 acres of milo, the rental of which follows the land and goes to the purchaser. There is 100 acres of shaded pasture and 22 acres of summer fallow.

Possession will be given for summer tilling and fall wheat crop for which there is 50 acres immediately. Full possession of all land and premises March 1, 1957.

Improvements: 7 room house, 2 dairy barns, chicken house, granary and 18x26 foot silo. About 100 acres can be irrigated. Located within ⅛th of mile from School No. 76. Buildings wired.

Terms of sale 15% of the price bid cash at time of sale and balance upon confirmation of sale and delivery of deed with abstract of title to date. Property sold to highest bidder.

This land will be offered and separate bids will be received on each 160 acre tract and on the whole tract. The following personal property is reserved to the tenant: 1 brooder house and fence west of barn.

For further information see or communicate with John Gallagher, 2-2091, or James F. Crowley, the Referee or Joseph R. Helmann, the Attorney, Hastings, Nebr. or D. C. Avey 4-3654, Lincoln. James F. Crowley, Referee. Joseph R. Helmann, Attorney. 15

Experts Conclude Kidnaper Of Weinberger Tot Has Disciplined Background

WESTBURY, N.Y. (INS) — Experts poring over the ransom note have just about concluded the kidnaper of Peter Weinberger has a background of strict discipline.

This could mean, the handwriting experts and psychiatrists agreed, that the suspect had seen recent military service or was an inmate of a prison or mental institution.

Their reasoning, it was learned Friday, was based on a still-secret salutation on the ransom letter left behind by the July 4 kidnaper of the five-week-old infant.

The team of analysts microscopically studying the note signed "Your Baby Sitter" is headed by Nassau County Police deputy inspector Frank Pribyl, in charge of the department's bureau of technical research.

Meanwhile, chief of detectives inspector Stuyvesant Pinnell imposed a complete new blackout on the baffling case.

Angry

Apparently stung by strong newspaper editorial criticism of his handling of the investigation of the nine-day-old kidnaping, Pinnell angrily declared:

"I will make no further comments nor answer any questions regarding this case until there is a positive development."

Late Friday Pinnell conferred with Nassau District Attorney Frank Gulotta. There was no indication what they talked about. Some observers felt there might be significance in the conference since normally the District Attorney's office would not be called in unless some legal action was contemplated. One possibility was that Gulotta might have gotten a briefing in connection with plans to prosecute one or more of the alleged "hoaxers" who have plagued the Weinberger family.

A spokesman for the Weinberger family described as a "total lie" published reports that the family had withdrawn $25,000 to meet any ransom demand.

No Foundation

David Holman, an uncle of Mr. and Mrs. Morris Weinberger, declare:

"There is no foundation whatsoever for any such story. The family has withdrawn money to meet the $5,000 demand, but exactly how much we will not say, except that it is nowhere near this fantastic figure."

He said the family has had "no contact whatsoever with the person believed to be the actual kidnaper."

Holman, a former assistant district attorney in Nassau, made no attempt to hide the family's fears and gloom as another day passed with no word of the missing baby, now 41 days old.

"They are very gloomy," said Holman. "The situation couldn't be any worse. Everything we have been able to think of has been done. We seem to have exhausted every possible avenue."

Holman said the family felt that it was now a case of "fear and apprehension" that was keeping the kidnaper from trying to contact them.

Since the infant was taken from his carriage at the Weinberger home on July 4th afternoon, there have been scores of telephone calls to the Weinbergers. Some have been from persons identifying themselves as "the kidnaper," others from people with tips on where the child might be found.

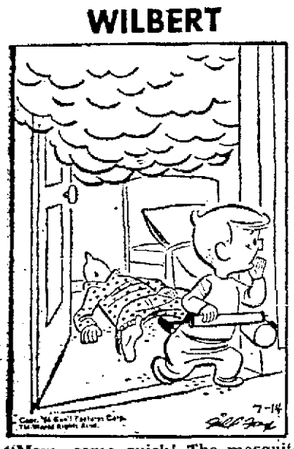

But police, the FBI and the family now appear convinced that from the beginning, the actual kidnaper of the boy never has contacted the family—that even on the two or three occasions when the caller seemed possibly to be legitimate, it was a hoax.

Steel Strike Holds Up New Teachers' College Building

University of Nebraska officials reported Friday that work on the new $850,000 administration and Teachers' College building was being held up because of the steel strike.

The building, which is now expected to be completed in 15-18 months, will house administrative offices on the first two floors and Teachers' College classrooms on the third floor. It is being built south of the present Teachers' College building.

WILBERT

"Mom, come quick! The mosquito is still alive but Dad passed out!"

Book Of County Building, Trailer Rules Available

The Lancaster County building code and trailer regulations as amended are now available in pamphlet form at the County Commissioners' office.

Commissioner Del Lienemann, county zoning board chairman, said the code and regulations will be "strictly enforced."

Trailer regulations have been in effect for some time. The building code and air base zoning was recently brought up to date by the county board.

County building regulations and zoning will be enforced, Lienemann said to protect "annexation territory," so that when these areas are annexed by the city, they will comply with the city's building standards.

Minor Sues State Trooper, Garageman

A $225 suit against Nebraska Safety Patrolman Irvin E. Minary and Al Green of Green's Service at 48th and Cornhusker Highway has been filed in Lancaster County Court.

The action was brought by Richard Holdren of Lincoln, a minor, through his mother, Mabel Holdren.

According to John McArthur, attorney for Holdren, the suit grew out of the aftermath of an accident involving Holdren's car on May 14.

The petition alleges Minary had Holdren's auto towed to Green's place of business and that the defendants allowed the auto to be taken from Green's by another person.

It charges that the conduct of the defendants amounted to appropriation of the plaintiff's auto. Holdren had to go to Kansas to pick up the car, it is alleged, after it had been badly damaged and the motor burned out.

The petition asks $200 damages for repairs of the auto and $25 in returning it to Lincoln.

GOC Picnic Marks Two Anniversaries

The Cornhusker Ground Observer Corp will celebrate the fourth anniversity of its founding and the completion of its first year of round-the-clock skywatching with a picnic at Capitol Beach Saturday evening.

Plans are being made to accommodate the 500 GOC participants in Lincoln and Lancaster County and their families.

Participants in the Lincoln area began limited skywatching Jan. 27, 1953, in the tower at Union College.

They went on 24-hour duty March 31, 1956, in new quarters on top of the Cornhusker Hotel.
